Prince of Thieves Jan 03 2023 From the author of *The Strain* comes a tense, psychologically gripping, Hammet award-winning thriller. Four masked men—thieves, rivals, and friends from the tough streets of Charlestown—take on a Boston bank at gunpoint. Holding bank manager Claire Keesey hostage and cleaning out the vault were simple. But career criminal Doug MacRay didn't plan on one thing: falling hard for Claire. When he tracks her down without his mask and gun, their mutual attraction is undeniable. With a tenacious FBI agent following his every move, he imagines a life away from his gritty, dangerous work—a life centered around Claire. But before that can happen, Doug and his crew learn that there may be a way to rob Boston's venerable baseball stadium, Fenway Park. Risky yet utterly irresistible, it would be the perfect heist to end his criminal career and begin a new life. But, as it turns out, pursuing Claire may be the most dangerous act of all. Racing to an explosive climax, *Prince of Thieves* is a brash tale of robbery in all its forms—and an unforgettable odyssey of crime, love, ambition, and dreams.

The Town Aug 30 2022 "A powerfully doomy debut" (The Guardian), Shaun Prescott's *The Town* is a novel of a rural Australian community besieged by modern day anxieties and threatened by a supernatural force seeking to consume the dying town. This is Australia, an unnamed, dead-end town in the heart of the outback—a desolate place of gas stations, fast-food franchises, and labyrinthine streets: flat and nearly abandoned. When a young writer arrives to research just such depressing middles-of-nowhere as they are choked into oblivion, he finds something more sinister than economic depression: the ghost towns of Australia appear to be literally disappearing. An epidemic of mysterious holes is threatening his new home's very existence, and this discovery plunges the researcher into an abyss of weirdness from which he may never escape. Dark, slippery and unsettling, Shaun Prescott's debut resurrects the existential novel for the age of sprawl and blight, excavates a nation's buried history of colonial genocide, and tells a love story that asks if outsiders can ever truly belong anywhere. The result is a disquieting classic that vibrates with an occult power.

Doing the Town May 03 2020 This fascinating cultural history, studded with vivid details bringing the experience of Victorian-era travel alive, explores the beginnings of urban tourism, and sets the phenomenon within a larger cultural transformation that encompassed fundamental changes in urban life and national identity."

History of the Town of Duxbury, Massachusetts Oct 27 2019 Excerpt from History of the Town of Duxbury, Massachusetts: With Genealogical Registers More than two years have now elapsed, since the writing of this work was commenced by the Author. That the matter which he then began to collect would ever, or at least in so short a time, be submitted to the press, was a thing unthought of. As no opportunity was passed by for adding to the stock, which soon became gradually to increase, he had accumulated at the end of this time such a store of historic and genealogical information, that it was deemed advisable by many to whom the manuscripts were shown, that they should be put into a more durable form in print. With their request he was induced to comply, and although conscious of its many imperfections, he now submits it to them in their desired form, and also to those for whom it was more especially designed, the inhabitants of the town, and to professed antiquaries elsewhere, it is now given emanating from himself alone, and entitled to what consideration each may be persuaded to confer upon it. The work has been one of much care and research. To the Author it has been one of amusement, though oftentimes subjecting him to considerably labor and toil; yet it has been more than recompensed, when with feelings of pleasure he has traced the nearly obliterated and illegible records of the past, and discovered in the language of their writings the spiritual character and heroic nature of the actors, in their struggles for religious freedom and civil independence. Where is the land that can look back to a race of founders worthy of a higher and truer distinction, than can the people of New England? and where should there be their existing influence, mightier and more effectual, than among the descendants of that Pilgrim band, in whose midst were the abodes of a Brewster, a Standish, and an Alden? May they cherish that natural character of their inheritance, may they preserve it in its original purity, guard it with the watchfulness of their christian fathers, make their lives, as theirs, an example, and their end a monument of worldly excellence, worthy to be cherished. In regard to the arrangement vi the work it seems scarcely necessary to say a word. The matter embraced on the first eighty-eight pages seemed to be better placed by itself, distinct from the General History, than embodied in the latter. A Brief History of the Town of Maynard, Massachusetts Mar 13 2021

Sixpence House Dec 02 2022 "Sixpence House is the bookworm's answer to A Year in Provence." -Boston Globe Paul Collins and his family abandoned the hills of San Francisco to move to the Welsh countryside—to move, in fact, to the village of Hay-on-Wye, the "Town of Books" that boasts fifteen hundred inhabitants and forty bookstores. Taking readers into a secluded sanctuary for book lovers, and guiding us through the creation of the author's own first book, Sixpence House becomes a heartfelt and often hilarious meditation on what books mean to us. A #1 BookSense Pick "A delightful book." -Los Angeles Times "Collins' gift is that you don't care where you end up. The journey is enough." -Readerville "The real, engaging heart of the tale is Collins' love of books and other people who love them... Collins muses on antiquarian books the way the rest of us remember lost loves." -San Francisco Chronicle "Funny, informative, somewhat chaotic and full of interesting references... there are numerous meanders into peripheral subjects, seen through the astute eyes of an Anglophile American." -Washington Post

The Town Of Turtle Jan 23 2022 In Turtle's shell there's room for only one. But in Turtle's heart, there is room for everyone! This tale of a lonely turtle who comes out of his shell to find friendship and community celebrates diversity and inclusion. When a solitary turtle decides to make some renovations to his shell, he doesn't have a blueprint, only a dream for a better life. He starts by building a deck—though he figures the deck could use a fireplace. And a fireplace needs wood, so naturally, he plants a garden. But it isn't really a garden without a pond . . . Soon, Turtle can barely recognize his own shadow. Finally satisfied with the intricate world upon his back, word begins to spread of the magical "Town of Turtle," attracting newcomers from far and wide. All are welcome in Turtle's town, where life is a little less lonely, if only you come out of your shell.

Around the Town of Saratoga Oct 08 2020 As the American struggle for independence intensified, Saratoga became a focal point of warring activities. Both colonists and loyalists maintained forts, camps, and officer headquarters within town. In 1777, after the two Battles of Saratoga, American forces gained the surrender of British Gen. John Burgoyne, thus turning the tide of the Revolutionary War. The name Saratoga comes from the Mohawk word meaning either place of the swift water or hillside country of the great river. True to its name, the town spreads across rolling hills along the western side of the Hudson River. The river itself, together with two early main roads and a canal, brought prosperity to the area. Saratoga became a major shipping terminal. The town boundaries changed several times throughout the years, but the rural character of the town and the spirit of its residents remained constant. As the American struggle for independence intensified, Saratoga became a focal point of warring activities. Both colonists and loyalists maintained forts, camps, and officer headquarters within town. In 1777, after the two Battles of Saratoga, American forces gained the surrender of British Gen. John Burgoyne, thus turning the tide of the Revolutionary War. Saratoga became a major shipping terminal. The town boundaries changed several times throughout the years, but the rural character of the town and the spirit of its residents remained constant.

Tales from the Town of Widows Sep 06 2020 In the small Colombian mountain village of Mariquita, a band of guerrillas storms in to protest the country's ruling government. They arrive with propaganda and guns, and when they depart they have forcibly recruited all the town's men, leaving behind only a few—the priest and a young, fair-skinned boy disguised as a little girl. In their wake, Mariquita becomes a sinking wasteland filled with women who quickly resign themselves to food shortages, littered streets, and mourning. Without men, life is hopeless, and getting along, nearly impossible. But, Rosalba viuda de Patiño, wife of the former police sergeant, sees a different fate for the town of widows. She declares herself magistrate and promises to instill law and order while restoring the failing economy and infrastructure. Reluctantly, the women agree to join forces. A utopia emerges, one that ironically resembles the ideal society the guerrilla group claims to promote. Deft, rich, and darkly humorous, Tales from the Town of Widows is a captivating exploration of gender and sexuality that uses the ongoing conflict in Colombia as a backdrop. It presents a fascinating portrait of ill-fated wives and the war that helped them build a peaceful, equality-based society. Exquisitely wrought, remarkably original, James Cañón's stunning debut marks the arrival of an unforgettable new literary talent.

History of the Town of Plainfield, Hampshire County, Mass Feb 09 2021

Municipal Code of the Town of Milo, Iowa, 1962 Jul 17 2021

The People of the Town Sep 18 2021 Meet familiar friends and new neighbors in this playful collection of nursery rhymes. On a misty, moisty morning, we meet the snoring old man, and by evening we're running through the town with Wee Willie Winkie in his nightgown. A day full of nursery rhyme enchants, delights, and enlightens young readers. Gorgeous illustrations paired with quintessential nursery rhymes introduce familiar friends like Little Bo Peep, Georgie Porgie and the Grand Old Duke of York, as well as meet new neighbors, including Little Polly Flinders, Honest John Boldero and Little Tommy Tucker. An attractive and easily giftable collection of tried and true favorites.

Trouble in the Town Hall Mar 25 2022 Dorothy Martin, an American widow living in England, is on her way to lunch with Alan Nesbitt - chief constable, and her own chief beau - when she notices movement in the abandoned town hall and can't resist a snoop. But what she, and cleaning lady Ada Finch, find in there is cause for serious alarm: a dead body. And, what's worse, when Dorothy leaves the building some time later, she notices the corpse's arms have been moved and its eyes closed . . .

Book Towns Sep 30 2022 The so-called "Book Towns" of the world are dedicated havens of literature, and the ultimate dream of book lovers everywhere. Book Towns takes readers on a richly illustrated tour of the 40 semi-officially recognized literary towns around the world and outlines the history and development of each community, and offers practical travel advice. Many Book Towns have emerged in areas of marked attraction, such as Ureña in Spain or Fjaerland in Norway, where bookshops have been set up in buildings including former ferry waiting rooms and banks. While the UK has the best-known examples at Hay, Wigtown and Sedburgh, the book has a broad international appeal, featuring locations such as Jimbochu in Japan, College Street in Calcutta, and major unofficial "book cities" such as Buenos Aires.

Town Hall Meetings and the Death of Deliberation Jun 15 2021 Tracing the erosion of democratic norms in the US and the conditions that make it possible Jonathan Beecher Field tracks the permutations of the town hall meeting from its original context as a form of democratic community governance in New England into a format for presidential debates and a staple of corporate governance. In its contemporary iteration, the town hall meeting models the aesthetic of the former but replaces actual democratic deliberation with a spectacle that involves no immediate electoral stakes or functions as a glorified press conference. Urgently, Field notes that though this evolution might be apparent, evidence suggests many US citizens don't care to differentiate. Forerunners: Ideas First Short books of thought-in-process scholarship, where intense analysis, questioning, and speculation take the lead

The Town Dec 10 2020 This is the second volume of Faulkner's trilogy about the Snopes family, his symbol for the grasping, destructive element in the post-bellum South. Like its predecessor *The Hamlet*, and its successor *The Mansion*, *The Town* is completely self-contained, but it gains resonance from being read with the other two. The story of Flem Snopes' ruthless struggle to take over the town of Jefferson, Mississippi, the book is rich in typically Faulknerian episodes of humor and of profundity.

A Brief History of the Town of Fairhaven, Massachusetts Aug 06 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

History of the Town of Goshen, Hampshire County, Massachusetts Jul 29 2022

The History of the Town of Litchfield, Connecticut, 1720-1920 Jun 27 2022

Architecture and Power Nov 20 2021 The town hall in early modern England was the seat of civic government and the architectural embodiment of power, authority, and legitimacy in the community. Robert Tittler's imaginatively conceived and wide-ranging study, based on extensive research in local records, explores the town hall and its role in civic culture and urban life. The multi-disciplinary approach of *Architecture and Power* generates architectural, anthropological, literary, and historical insights into politics and society in England's provincial towns in the sixteenth and early seventeenth century. Professor Tittler explores the connection between the boomtown hall building in this period and the cultural and political evolution of the provincial urban community. From the function of decorations and furnishings to the political activities and self-image of the urban elite, every aspect of the town hall and its place in civic culture is rigorously examined. This is a fascinating and scholarly contribution to the urban history of England.
