Tuck Everlasting Jul 20 2021 Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when

she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." —The New York Times "Exciting and excellently written." —The New York Times Book Review "With its serious intentions and light touch the story is, like the Tucks, timeless." —Chicago Sun-Times "Probably the best work of our best children's novelist." —Harper's "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." —The Boston Globe "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." —Entertainment Weekly This title has Common Core connections. *The Crossing* Feb 24 2022 In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street

Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

Butcher's Crossing May 06 2020 In his

National Book Award-winning novel Augustus, John Williams uncovered the secrets of ancient Rome. With *Butcher's Crossing*, his fiercely intelligent, beautifully written western, Williams dismantles the myths of modern America. It is the 1870s, and Will Andrews, fired up by Emerson to seek "an original relation to nature," drops out of Harvard and heads west. He washes up in *Butcher's Crossing*, a small Kansas town on the outskirts of nowhere. *Butcher's Crossing* is full of restless men looking for ways to make money and ways to waste it. Before long Andrews strikes up a friendship with one of them, a man who regales Andrews with tales of immense herds of buffalo, ready for the taking, hidden away in a beautiful valley deep in the Colorado Rockies. He convinces Andrews to join in an expedition to track the animals down. The journey out is grueling, but at the end is a place of paradisaical richness. Once there, however, the three men abandon themselves to an orgy of slaughter, so caught up in killing buffalo that they lose all sense of time. Winter soon overtakes them: they are snowed in. Next spring, half-insane with cabin fever, cold, and hunger, they stagger back to *Butcher's Crossing* to find a world as irremediably changed as they have been.

On My Honor Aug 21 2021 Joel dares his best friend, Tony, to a swimming race in a dangerous river. Both boys jump in, but when Joel reaches the sandbar, he finds Tony has vanished. How can he face their parents and the terrible truth?

The Englishman's Boy Nov 04 2022 *The Englishman's Boy* brilliantly links together Hollywood in the 1920s with one of the bloodiest, most brutal events of the nineteenth-century Canadian West - the Cypress Hills Massacre. Vanderhaeghe's rendering of the stark, dramatic beauty of the western landscape and of Hollywood in its most extravagant era - with its visionaries, celebrities, and dreamers - provides vivid background for scenes of action, adventure, and intrigue. Richly textured, evocative of time and place, this is an unforgettable novel about power, greed, and the pull of dreams that has at its centre the haunting story of a young drifter - "the Englishman's boy" - whose fate, ultimately, is a tragic one.

The Road Dec 25 2021 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and

when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

A Regular Guy Sep 21 2021 Anywhere But Here and *The Lost Father* have established Mona Simpson as one of our most accomplished writers. In her new novel--the portrait of a legendary, quintessentially American entrepreneur trapped by the age he helped to define--she brilliantly extends her achievement. More powerfully than ever before, Simpson uncovers the nature of longing and belonging, of blood relations and the human heart.

Look Both Ways Mar 04 2020 "A collection of ten short stories that all take place in the same day about kids walking home from school"--

Man Descending Mar 28 2022 These superbly crafted stories reveal an astonishing range, with settings that vary from a farm on the

Canadian prairies to Bloomsbury in London, from a high-rise apartment to a mine-shaft. Vanderhaeghe has the uncanny ability to show us the world through the eyes of an eleven-year-old boy as convincingly as he reveals it through the eyes of an old man approaching senility. Moving from the hilarious farce of teenage romance all the way to the numbing tragedy of life in a ward for incurables, these twelve stories inspire belief, admiration, and enjoyment, and come together to form a vibrant chronicle of human experience from a gifted observer of life's joys and tribulations. This is Guy Vanderhaeghe's brilliant first book of fiction.

Things as They Are? Apr 04 2020 The ten stories in this superb collection are diverse in character and situation, and reflect in one way or another the double-edged nature of our own subjective view of the world and of ourselves. These stories cross the terrain of family relationships, the ways in which we carry the past into the present, how we sometimes make victims out of those who are most vulnerable.

Bear Child Aug 01 2022 The West was a lawless domain when Jerry Potts was born into the Upper Missouri fur trade in 1838. The son of a Scottish father and a Blood mother, he was given the name Bear Child by his Blood tribe for his bravery and tenacity while he was still a teen. In 1874, when the North West Mounted Police first marched west and sat lost and starving near the Canada-U.S. border, it was Potts who led them to shelter. Over the next 22

years he played a critical role in the peaceful settlement of the Canadian West. **Bear Child: The Life and Times of Jerry Potts** tells the story of this legendary character who personifies the turmoil of the frontier in two countries, the clash of two cultures he could call his own, and the strikingly different approaches of two expanding nations as they encroached upon the land of the buffalo and the nomadic tribes of the western Plains.

The Crossing Feb 12 2021 **The Crossing** forms the second part of Cormac McCarthy's critically acclaimed Border Trilogy, a story that began with *All the Pretty Horses* and concludes with *Cities of the Plain*. Set on the south-western ranches in the years before the Second World War, Cormac McCarthy's *The Crossing* follows the fortunes of sixteen-year-old Billy Parham and his younger brother Boyd. Fascinated by an elusive wolf that has been marauding his family's property, Billy captures the animal - but rather than kill it, sets out impulsively for the mountains of Mexico to return it to where it came from. When Billy comes back to his own home he finds himself and his world irrevocably changed. His loss of innocence has come at a price, and once again the border beckons with its desolate beauty and cruel promise. 'The Crossing is like a river in full spate: beautiful and dangerous' *The Times* This edition is part of the Picador Collection, a new list of the best in contemporary literature published in Picador's 50th Anniversary year. McCarthy's eagerly anticipated new novels, *The Passenger*

and *Stella Maris*, will be published by Picador in October 2022.

The Devil In The White City Jan 02 2020 'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While

Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

Dead Wake Sep 02 2022 #1 NEW YORK TIMES BESTSELLER • From the bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the Lusitania "Both terrifying and enthralling."—Entertainment Weekly "Thrilling, dramatic and powerful."—NPR "Thoroughly engrossing."—George R.R. Martin On May 1, 1915, with WWI entering its tenth month, a luxury ocean liner as richly appointed as an English country house sailed out of New York, bound for Liverpool, carrying a record number of children and infants. The passengers were surprisingly at ease, even though Germany had declared the seas around Britain to be a war zone. For months, German U-boats had brought terror to the North Atlantic. But the Lusitania was one of the era's great transatlantic "Greyhounds"—the fastest liner then in service—and her captain, William Thomas Turner, placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of *Unterseeboot-20*, was happy to

oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat, but told no one. As U-20 and the Lusitania made their way toward Liverpool, an array of forces both grand and achingly small—hubris, a chance fog, a closely guarded secret, and more—all converged to produce one of the great disasters of history. It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour and suspense, *Dead Wake* brings to life a cast of evocative characters, from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Gripping and important, *Dead Wake* captures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history. Finalist for the Washington State Book Award • One of the Best Books of the Year: The Washington Post, St. Louis Post-Dispatch, Miami Herald, Library Journal, Kirkus Reviews, LibraryReads, Indigo

Peace Like a River Jul 08 2020 Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure,

tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

Isaac's Storm Jan 26 2022 At the dawn of the twentieth century, a great confidence suffused America. Isaac Cline was one of the era's new men, a scientist who believed he knew all there was to know about the motion of clouds and the behavior of storms. The idea that a hurricane could damage the city of Galveston, Texas, where he was based, was to him preposterous, "an absurd delusion." It was 1900, a year when America felt bigger and stronger than ever before. Nothing in nature could hobble the gleaming city of Galveston, then a magical place that seemed destined to become the New York of the Gulf. That August, a strange, prolonged heat wave gripped the nation and killed scores of people in New York and Chicago. Odd things seemed to happen everywhere: A plague of crickets engulfed Waco. The Bering Glacier began to shrink. Rain fell on Galveston with greater intensity than anyone could remember. Far away, in Africa, immense thunderstorms blossomed over the city of Dakar, and great currents of wind converged. A wave of atmospheric turbulence slipped from the coast of western Africa. Most such waves faded quickly. This one did not. In Cuba, America's overconfidence was made all too obvious by the Weather Bureau's obsession with controlling hurricane forecasts, even though Cuba's indigenous weathermen had

pioneered hurricane science. As the bureau's forecasters assured the nation that all was calm in the Caribbean, Cuba's own weathermen fretted about ominous signs in the sky. A curious stillness gripped Antigua. Only a few unlucky sea captains discovered that the storm had achieved an intensity no man alive had ever experienced. In Galveston, reassured by Cline's belief that no hurricane could seriously damage the city, there was celebration. Children played in the rising water. Hundreds of people gathered at the beach to marvel at the fantastically tall waves and gorgeous pink sky, until the surf began ripping the city's beloved beachfront apart. Within the next few hours Galveston would endure a hurricane that to this day remains the nation's deadliest natural disaster. In Galveston alone at least 6,000 people, possibly as many as 10,000, would lose their lives, a number far greater than the combined death toll of the Johnstown Flood and 1906 San Francisco Earthquake. And Isaac Cline would experience his own unbearable loss. Meticulously researched and vividly written, Isaac's Storm is based on Cline's own letters, telegrams, and reports, the testimony of scores of survivors, and our latest understanding of the hows and whys of great storms. Ultimately, however, it is the story of what can happen when human arrogance meets nature's last great uncontrollable force. As such, Isaac's Storm carries a warning for our time.

As the story gradually unfolds, the past confronts the present in unexpected ways as the silence surrounding Vera's brother is finally shattered and the truth behind Vera's long absence revealed. Into the Wild Apr 28 2022 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer

constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Frontier Trilogy Jan 14 2021 Set in the late nineteenth-century Canadian and American West, Guy Vanderhaeghe's bestselling and multi-award-winning epic *Frontier Trilogy* is now available together for the first time. The *Englishman's Boy* brilliantly links together Hollywood in the 1920s with one of the bloodiest, most brutal events of the nineteenth-century Canadian West--the Cypress Hills Massacre--to tell an unforgettable novel about power, greed, and the pull of dreams that has at its centre the haunting story of a young drifter--"the Englishman's boy"--whose fate,

ultimately, is a tragic one. Winner of Canada Reads 2004, *The Last Crossing* tells the epic story of an unlikely group—including two Englishmen in search of their lost brother; their half-Blackfoot, half-Scottish guide; a Civil War veteran searching for salvation; a young woman determined to avenge her sister's brutal murder—who make the treacherous journey across the unknown landscape of the West, only to become entangled in an unfolding drama that forces each person to come to terms with his own demons. Set in the aftermath of Custer's defeat at the Battle of Little Big Horn, *A Good Man* weaves together the lives of a compellingly drawn cast of characters, including Wesley Case, a disgraced military officer who works as a liaison between the American and Canadian militaries in an effort to contain the Native Americans' unresolved anger in the wake of the Civil War; Ada Tarr, the beautiful, outspoken widow he has fallen in love with; and Michael Dunne, her disturbed admirer. When the American government unleashes its final assault on the Indians, Dunne commences his own vicious plan for vengeance in one last feverish attempt to claim Ada as his own.

The Last Crossing Dec 05 2022 Ordered by their father to find their missing brother, Englishmen Charles and Addington Gaunt set off to America, where guide Jerry Potts and a growing number of companions journey by wagon train and confront a number of personal demons.

The Last American Man May 18 2021 At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in

pursuit of bigger, bolder challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged cars on the highways, ate road kill and slept on the hard ground. Now, more than twenty years on, Eustace is still in the mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instil in people a deeper appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a visionary, a narcissist, a brilliant but flawed modern hero. *The Last American Man* is an unforgettable adventure story of an irrepressible life lived to the extreme. *The Last American Man* is a New York Times Notable Book and National Book Critics Circle Award Finalist.
