Lord of the Flies Aug 03 2020 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. F this Test Jun 24 2022 From the same hilarious wellspring of failure as the bestselling *F in Exams* and *F for Effort* comes this all-new collection of inventively wrong—yet totally real—test responses by students who don't know the answer, but come up with something better instead. Featuring crucial academic subjects including English (Q: Name a key theme in *Madame Bovary*; A: Cows), Geography (Q: Where can you find the Andes?; A: Google Earth), Science (Q: Describe the properties of a meteor; A: An animal that only eats meat) and more, *F this Test* rounds out the curriculum with an extra-credit section for those tricky elective courses, and demonstrates that it's more fun to laugh when faced with an absolute fail.
