**Dragon Champion** Sep 18 2021 From the national bestselling and award-winning author of the *Vampire Earth* saga comes the first in a fantastic new series.

*Belgarath the Sorcerer* Nov 20 2021 Bestselling authors David and Leigh Eddings welcome readers back to the time before *The Belgariad* and *The Malloreon* series. Join them as they chronicle that fateful conflict between two mortally opposed Destinies, in a monumental war of men and kings and Gods. When the world was young and Gods still walked among their mortal children, a headstrong orphan boy set out to explore the world. Thus began the extraordinary adventures that would mold that youthful vagabond into a man, and the man into the finely honed instrument of Prophecy known to all the world as *Belgarath the Sorcerer*. Then came the dark day when the Dark God *Torak* split the world asunder, and the God *Aldur* and his disciples began their monumental labor to set *Destiny* aright. Foremost among their number was *Belgarath*. His ceaseless devotion was foredoomed to cost him that which he held most dear—even as his loyal service would extend through echoing centuries of loss, of struggle, and of ultimate triumph.

*Crystal Gorge* Jan 29 2020 After two devastating defeats and the utter annihilation of two armies, the hideous Vlagh still vows to invade the land of *Dhrall*. A voracious insectile overmind, she can breed millions of soldiers in mere days and even evolve entire new species in just a week. At first, *Dhrall's* mortal defenders—a motley bunch of mercenaries, pirates, horse lords, and lone heroes like the archer *Longbow*—are certain they'll prevail again. Most are now battle-hardened veterans, and the natives of *Dhrall* are fierce bison hunters and bear slayers, ready to fight. But while the Vlagh's past servants were giant, venomous, and mindless bugs, it has now created perfect spies: new minions with a man's appearance and intelligence. Corrupted by the agents of the Vlagh, the human tribes are soon at one another's throats. Far, far worse for mortals is the fact that the Gods can no longer be trusted. For, nearing the end of their 25,000 year cycle, the Elder Gods are doddering toward senility and dementia. And to add to mankind's plight, a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions. Now, beset by astonishing, dire challenges, *Longbow* and his fellow mortals must wage a bitter war against a supernatural enemy—one that has evolved in ways they could have never imagined...

*The Hidden City* Dec 22 2021 The final breathtaking volume in the *Tamuli* series. The pace, as always, is white hot - as are the special effects. As readers will know from *Book Two*, the *Shining One Xanetia* can melt her enemies with a touch. Fortunately, she is on the side of our hero, and so is the god *Edaemus*, whose (literally) volcanic rage will be useful in the continuing fight to save the *Tamul Empire* from the ravages of sinister King *Cyrgon* of the *Cyrgai*. *Cyrgon* has called forth *Bhelliom's* equal in supernatural power, *Klael*, the very essence of evil. And while Sparhawk is leading armies of *Pandion Knights*, *Atan* giants and *Trolls* in battle, Queen *Ehlana* is taken hostage in *Matherion* by the renegade *Styric Zalasta* and the madman *Scarpa*. The price for her return is no less than the *Blue Rose*. Taken in chains first to the jungles of *Arjuna* in the South, *Ehlana* is tracked by Sparhawk using both *Delphaeic* and *Styric* magic. But by then *Sephrenia* has been murdered and *Ehlana* has been removed to the *Hidden City* of the *Cyrgai*. The City is protected by magic and by the invincible *Klael*. The ultimate battle must be fought.

*Sapphire* May 03 2020 By the second half of the twentieth century, a new branch of materials science had come into being — crystalline materials research. Its appearance is linked to the emergence of advanced technologies primarily based on single crystals (bulk crystals and films). At the turn of the last century, the impending onset of the “ceramic era” was forecasted. It was believed that ceramics would play a role comparable to that of the Stone or Bronze Ages in the history of civilization. Naturally, such an assumption was hypothetical, but it showed that ceramic materials had evoked keen interest among researchers. Although sapphire traditionally has been considered a gem, it has developed into a material typical of the “ceramic era.” Widening the field of sapphire application necessitated essential improvement of its homogeneity and working characteristics and extension of the range of sapphire products, especially those with stipulated properties including a preset structural defect distribution. In the early 1980s, successful attainment of crystals with predetermined characteristics was attributed to proper choice of the growth method. At present, in view of the fact that the requirements for crystalline products have become more stringent, such an approach tends to be insufficient. It is clear that one must take into account the physical-chemical processes that take place during the formation of the real crystal structure, i.e., the growth mechanisms and the nature and causes of crystal imperfections.

*Demon Lord of Karanda* Jan 23 2022 Here David Eddings continues his bestselling *The Malloreon*, taking the quest across a strange continent and among stranger peoples struggling over the religion of a dead God. A story of ancient, opposing Destinies, battling for control of all men. *Zandramas* had stolen King *Garion's* infant son and fled to use the child in some ritual that would make the *Dark Destiny* supreme. *Garion* and his friends had followed, but now they were captives of *Zakath*, Emperor of *Malloreia*, who, while friendly, stubbornly refused to let them leave. Meanwhile, a horde of demons was ravaging the cities

through which they must travel. Zandramas was escaping further toward her goal. And the Seeress of Kell revealed that they must be at the ancient palace of Ashaba within a matter of days or Zandramas would win by default. Then a horrible, fatal plague struck the city of Mal Zeth, closing it against all traffic in or out.

**King of the Murgos** Feb 09 2021 Here David Eddings' bestselling *The Malloreon* continues as the epic quest begins, across new lands and among strange peoples. A magnificent fantasy of men, Kings, sorcerers, and Gods caught up in a death struggle between two ancient, warring Destinies—the culmination of a seven-thousand-year war of Good and Evil. The infant son of Garion and Ce'Ndra had been foully kidnapped. Now they began the great quest to rescue the child, with the immortal Begarath the Sorcerer, his daughter Polgara the Sorceress, and inevitably the little Drasnian, Silk. Guided by the Orb of the God Aldur, their way led through the foul swamps of Nyissa, then into the lands of the Murgos. And at the end, they must face a horrible danger—to themselves and to all mankind. For the Dark Prophecy had not vanished when Garion slew the evil God Torak. Instead, it had fled to Zandramas, who was now the Child of Dark. Dark and Light still contended for mastery, and Zandramas planned to use the child in some rite and the Sardion Stone to insure that the Dark would triumph. **Mistborn** Oct 27 2019 From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier "snapped" and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot. But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails? **The Harrowing of Gwynedd** Feb 21 2022 In an alternate Middle Ages, a new chapter begins in the magnificent fantasy saga of the Deryni, as the magical race faces annihilation by royal enemies and a radical church These are the darkest days for the Deryni of Gwynedd, the magical race that once ruled this medieval kingdom but now find themselves despised and hunted by the governing regents following the death of King Cinhil. Dead also is Camber of Culdi, who served as the Deryni's most faithful friend in the royal court. With young King Alroy too immature and weak to rule effectively, no one holds the power to halt the reign of genocidal terror that sweeps across the land—not even Prince Javan Haldane, Alroy's twin, who recognizes the perfidy of the regents and religious zealots hovering around his royal brother. But there is an equally distressing concern for the surviving children of Camber, whose body remains uncorrupted weeks after his death, suggesting that his soul may be trapped somewhere between earth and heaven—and nothing short of the ultimate sacrifice can set Camber free. Award-winning fantasist Katherine Kurtz continues her chronicles of an extraordinary medieval race in a magnificent series that picks up where her acclaimed Camber of Culdi trilogy left off. A story of intolerance, faith, and courage, rich in character, magic, wonder, and evocative detail, Kurtz's brilliantly imagined alternate history is one of the shining jewels of fantasy fiction.

**Domes of Fire** Jun 27 2022 The beloved Sparhawk undertakes a perilous new quest in the Tamuli series from New York Times bestselling author David Eddings. Danger stalked Queen Ehlana's realm. It began with peasants whispering that the bloody heroes of old would rise again. Soon outlaw bands were ravaging the hill country, while the Trolls disappeared from their icy northern haunts—and none could say where they had gone. Then came an ambassador from the far-off Tamul empire, begging aid. Monsters, ancient

warriors, and foul magics were tearing their empire apart. Sparhawk, Ehlana's champion and Prince Consort, was the Emperor's last hope, for surely the knight who had killed the evil God Azash could prevail against the terror in Tamuli. Thus did Sparhawk and his Queen begin the perilous trek to the far-distant empire of the east. With them journeyed a handful of trusted companions: the stalwart champions of the four Militant Orders, the knight Berit, Mirtai the giantess, Princess Danae, and the young thief Talen. At the journey's end waited a glittering court seething with corruption, treachery—and the greatest danger Sparhawk would ever face!

**Sapphire Rose** Dec 02 2022 David Eddings returns to The Elenium, the splendid fantasy series that began with the thrilling novels Diamond Throne and Ruby Knight. Finally the knight Sparhawk had come to possess Bhellion, legendary jewel of magic that alone could save Queen Ehlana from the deadly poison that had felled her father. Sparhawk and Sephrenia, ageless instructor in Styric magics, made haste to free Ehlana from the crystalline cocoon that had preserved her life while they desperately sought a cure. But Bhellion carried dangers of its own. Once the stone came into his hands, Sparhawk found himself stalked by a dark, lurking menace. Whether the foul Zemoch God Azash was behind this threat, or some other enemy, even Sephrenia could not say—only that the sapphire rose held powers too dangerous for any mortal to bear. Restoring Queen Ehlana would be only the beginning of Sparhawk's mission. With the aid of four stalwart knights, one from each Militant Order, he must thwart Ehlana's prisoner, the Primate Annias, in his plot to assume the throne of the Church. For as Archprelate, Annias would serve his secret master, Azash, and deliver up to the dread God the one thing Azash thirsted for—Bhellion itself!

Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination.

*The Redemption of Althalus* Oct 20 2021 David and Leigh Eddings were mythmakers and world builders of the first order. With The Redemption of Althalus, the authors of the Belgariad and Malloreon sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal The Book from the House at the End of the World, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of The Book, the ancient God has been using the dark magic of his own Book to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag

group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* "Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike."—Library Journal "The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming."—Booklist "An engaging young reprobate hero . . . [A] magical realm of good-natured fun."—Publishers Weekly "A compelling, involving story."—Science Fiction Chronicle

*Diamond Throne* Sep 30 2022 From the #1 New York Times bestselling author of the Belegariad and Mallorean series comes the first novel in a series imbued with magic and adventure. Sparhawk, Pandion Knight and Queen's Champion, returned to Elenia after ten years of exile, only to find his young Queen Ehlana trapped in a block of ensorcelled crystal. Only the great sorcery of Sephrenia, ageless instructor of magic, kept her alive—but the spell would last only a year, and its cost was tragically high. Now a Prince

Regent ruled Elenia, the puppet of Annias, ambitious Primate of the Church who planned to seize power over all the land. As Sparhawk and Sephrenia set out to find a cure for Ehlana, Sephrenia revealed that there was only one person in the west who could defeat the evil plots against Ehlana. That person was Sparhawk.

**Ruby Knight** Jul 29 2022 The Elenium series, which began in *Diamond Throne*, continues against a background of magic and adventure. Ehlana, Queen of Elenia, had been poisoned. A deep enchantment sustained her life, but only while the Knights aiding it still lived—and already they were dying, one each month. Then Sparhawk, Knight and Queen's Champion, learned that the cure for the poison was the Bhellion, the great jewel lost when Sarak of Thalesia had died in battle, five hundred years before. Sparhawk and his companions set forth to find King Sarak's grave by raising ghosts of those who had perished in that ancient battle. The Seeker, an insectile monster spawned of the evil God Azash, hounded their every step. Still Sparhawk pressed on, driven by desperate need. They had to find Bhellion before his queen could perish. They must not fail!
