The Confessions of Nat Turner Feb 20 2022 The “magnificent” Pulitzer Prize–winning and #1 New York Times–bestselling novel about the preacher who led America’s bloodiest slave revolt (The New York Times). *The Confessions of Nat Turner* is William Styron’s complex and richly drawn imagining of Nat Turner, the leader of the 1831 slave rebellion in Virginia that led to the deaths of almost sixty men, women, and children. Published at the height of the civil rights movement, the novel draws upon the historical Nat Turner’s confession to his attorney, made as he awaited execution in a Virginia jail. This powerful narrative, steeped in the brutal and tragic history of American slavery, reveals a Turner who is neither a hero nor a demon, but rather a man driven to exact vengeance for the centuries of injustice inflicted upon his people. Nat Turner is a galvanizing portrayal of the crushing institution of slavery, and Styron’s deeply layered characterization is a stunning rendering of one man’s violent struggle against oppression. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Set This House on Fire Mar 24 2022 A New York Times bestseller by the author of *Sophie's Choice*: Two Americans search for the truth about a mysterious long-ago murder in Italy. Shortly after World War II, in the village of Sambuco, Italy, two men—Virginia attorney Peter Leverett and South Carolina artist Cass Kinsolving—crossed paths with Mason Flagg. They both had their own reactions to the gregarious and charismatic movie mogul's son. For the impressionable Peter, it was something close to awe. For the alcoholic Cass, it was unsettled rage. Then, after the rape and murder of a peasant girl, Mason's body was found at the base of a cliff—an apparent suicide. He'd been distraught, the authorities said, over committing such a heinous crime. Peter and Cass went their separate ways, and never spoke of it again. Now, years later, Peter is still haunted by what he knows—and by what he doesn't. He's sought out Cass in Charleston for closure, and something close to the truth. Together both men will share their tales of that terrible season in Italy, each with their own ghosts—and their own reasons to exorcise them. But neither Peter nor Cass is prepared for where this path of revenge, complicity, and atonement will take them. A profound exploration of the evil that men do, and what the innocent must endure to accommodate it, *Set This House on Fire* is more than a byzantine murder mystery, it's "one of the finest novels of our times" from the Pulitzer Prize-winning author of *The Confessions of Nat Turner*, *Darkness Visible*, and other modern classics (San Francisco Chronicle). This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

[A Study Guide for William Styron's "Sophie's Choice"](#) Jan 10 2021 A Study Guide for William Styron's "Sophie's Choice," excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

[Everything Beautiful Began After](#) Jan 28 2020 "A powerful meditation on the undying nature of love and the often cruel beauty of one's own fate. This is a novel you simply must read!" —Andre Dubus III, New York Times bestselling author of *Townie* From Simon Van Booy, the award-winning author of *Love Begins in Winter* and *The Secret Lives of People in Love*, comes a debut novel of longing and discovery amidst the ruins of Athens. With echoes of Nicole Krauss's *The History of Love* and Charles Baxter's *The Feast of Love*, Van Booy's resonant tale of three isolated, disaffected adults discovering one another in Greece is the compelling product of an inquisitive, visionary talent. In the words of Robert Olen Butler, Pulitzer Prize-winning author of *A Good Scent from a Strange Mountain*, "Simon Van Booy knows a great deal about the complex longings of the human heart."

Selected Letters of William Styron Oct 19 2021 In 1950, at the age of twenty-four, William Clark Styron, Jr., wrote to his

mentor, Professor William Blackburn of Duke University. The young writer was struggling with his first novel, *Lie Down in Darkness*, and he was nervous about whether his “strain and toil” would amount to anything. “When I mature and broaden,” Styron told Blackburn, “I expect to use the language on as exalted and elevated a level as I can sustain. I believe that a writer should accommodate language to his own peculiar personality, and mine wants to use great words, evocative words, when the situation demands them.” In February 1952, Styron was awarded the Prix de Rome of the American Academy of Arts and Letters, which crowned him a literary star. In Europe, Styron met and married Rose Burgunder, and found himself immersed in a new generation of expatriate writers. His relationships with George Plimpton and Peter Matthiessen culminated in Styron introducing the debut issue of *The Paris Review*. Literary critic Alfred Kazin described him as one of the postwar “super-egotists” who helped transform American letters. His controversial *The Confessions of Nat Turner* won the 1968 Pulitzer Prize, while *Sophie’s Choice* was awarded the 1980 National Book Award, and *Darkness Visible*, Styron’s groundbreaking recounting of his ordeal with depression, was not only a literary triumph, but became a landmark in the field. Part and parcel of Styron’s literary ascendance were his friendships with Norman Mailer, James Baldwin, John and Jackie Kennedy, Arthur Miller, James Jones, Carlos Fuentes, Wallace Stegner, Robert Penn Warren, Philip Roth, C. Vann Woodward, and many of the other leading writers and intellectuals of the second half of the twentieth century. This incredible volume takes readers on an American journey from FDR to George W. Bush through the trenchant observations of one of the country’s greatest writers. Not only will readers take pleasure in William Styron’s correspondence with and commentary about the people and events that made the past century such a momentous and transformative time, they will also share the writer’s private meditations on the very art of writing. Advance praise for *Selected Letters of William Styron* “I first encountered Bill Styron when, at twenty, I read *The Confessions of Nat Turner*. Hillary and I became friends with Bill and Rose early in my presidency, but I continued to read him, fascinated by the man and his work, his triumphs and troubles, the brilliant lights and dark corners of his amazing mind. These letters, carefully and lovingly selected by Rose, offer real insight into both the great writer and the good man.”—President Bill Clinton “The Bill Styron revealed in these letters is altogether the Bill Styron who was a dear friend and esteemed colleague to me for close to fifty years. The humor, the generosity, the loyalty, the self-awareness, the commitment to literature, the openness, the candor about matters closest to him—all are on display in this superb selection of his correspondence. The directness in the artful sentences is such that I felt his beguiling presence all the while that I was enjoying one letter after another.”—Philip Roth “Bill Styron’s letters were never envisioned, far less composed, as part of the Styron oeuvre, yet that is what they turn out to be. Brilliant, passionate, eloquent, insightful, moving, dirty-minded, indignant, and hilarious, they accumulate power in the reading, becoming in themselves a work of literature.”—Peter Matthiessen

Sophie's Choice Nov 27 2019 Sophie's Choice is an opera in four acts based upon the post-war dramatic novel by William Styron, and commissioned by BBC Radio 3 in association with the Royal Opera House, Covent Garden. The opera was first performed by the artists and orchestra of the Royal Opera House in December 2002.

My Generation May 14 2021 A vital, illuminating collection of the Pulitzer Prize and National Book Award winner's elegant, passionately engaged nonfiction My Generation is the definitive gathering of William Styron's nonfiction, exposing the core of this greatly gifted, highly convivial, and profoundly serious artist from his literary emergence in the 1950s to his death in 2006. Here are fifty years of Styron's essays, memoirs, reviews, op-eds, articles, eulogies, and speeches, reflecting the same brilliant style and informed thinking that he brought to his towering fiction and to a deeply committed public life. Including many newly collected and never-before-published items, this compendium ranges from the original mission statement of The Paris Review, which Styron helped found in 1953, to a 2001 tribute to his friend Philip Roth—creating an essential overview of arts and letters during the post–World War II years. In these pages, Styron writes vividly of childhood days in Tidewater Virginia spent going to movies, not reading books. (“It does not mean the death of literacy or creativity if one is drenched in popular culture at an early age.”) He recalls being among the group of soldiers who would have been sent to invade Japan and were saved by Truman's decision to drop the atomic bomb, which Styron feels was the right choice, “even though its absolute rightness can never be proved.” And he writes as few others have about midlife battles with clinical depression, “a pain that is all but indescribable, and therefore to everyone but the sufferer almost meaningless.” Here, too, are Styron's personal encounters with world leaders, fellow authors, and friends, each of whom comes memorably to life. Styron recalls sharing contraband Cuban cigars with JFK (“a naughty memento, a conversation piece with a touch of scandal”), getting lost in the snow with Robert Penn Warren, and party-hopping with the young James Jones (an experience he likens to “keeping company with a Roman emperor”). The beginnings of his masterpieces The Confessions of Nat Turner and Sophie's Choice are chronicled here, along with the controversy that greeted the former upon its 1967 publication. Throughout, Styron celebrates the men and women of his generation, whose lives were forged in the crucible of World War II. Whether he's recounting a walk with his dog, musing on the Modern Library's list of the hundred best English-language novels of the twentieth century, or contemplating America's fraught racial legacy from his point of view as the grandson of a woman who owned slaves, William Styron writes always in urgent, finely calibrated prose. These fascinating pieces bring readers closer to this great writer and the world he observed, interacted with, and changed. Praise for My Generation “William Styron's My Generation: Collected Nonfiction is both unsurpassably charming and unflinchingly honest, whether recounting the fallout from The Confessions of Nat Turner or reminiscing about the slave-owning grandmother who warned him never to forget he was a Southerner.”—Vogue “At its most

accomplished, Styron's non-fiction mixes a conscientious, richly traditional prose style with a strong current of fellow feeling, a certain awe at the human condition, which is what gives power to his best fiction. . . . Styron stood tall in his generation, and the best of him will stand up over time."—USA Today "A must for every Styron fan's library."—BBC

Sophie's Choice Aug 29 2022 Sophie's Choice has met a tremendous success since publication in 1979 and has been translated in many languages, including Japanese and Russian; it has been made into a movie by Alan Pakula, with Meryl Streep in the unforgettable leading role, and even gave birth to an opera. As usual William Styron gets down to brass tacks with one of the most awe-inspiring themes of the twentieth century : the final solution and the horror of the death-camps. In this bilingual study the emphasis is laid on the complexity of the narrative technique, the link between sexuality and violence, and the entanglement of historical, religious, philosophical and psychoanalytical references that make up the fabric of personal drama and human tragedy that Sophie's Choice represents. Patrick BADONNEL is a full professor of American literature at the Sorbonne Nouvelle University (Paris III) and former chair of the Agrégation. He is the author of several books on American contemporary writers (with C. Maisonnat) and has already published a book and several papers on William Styron's work. Also interested in the contemporary short story he is the author (with C. Maisonnat) of *La Nouvelle Anglo-saxonne. Initiation à une lecture psychanalytique* (Hachette Supérieur, 1998). Cet ouvrage est le fruit de la collaboration entre les éditions Armand Colin et le Centre National d'Enseignement à Distance, établissement public d'enseignement qui dispense des formations de tous niveaux à plus de 350 000 inscrits répartis dans le monde entier. Cette contribution scientifique d'enseignants chercheurs de l'Université française s'intègre dans les préparations assurées par le CNED aux CAPES et aux agrégations d'anglais qui comprennent aussi des conseils méthodologiques et des entraînements aux épreuves des concours avec correction personnalisée. General context and historical background. Narrative strategies at work in Sophie's Choice. The aesthetics of perversion and the European axis of evil in Sophie's Choice. Sexuality, textuality and liquidity. La confrontation pathologique des désirs. Totalitarisme et schizophrénie. Théologie et téléologie dans Sophie's Choice. Éthique et esthétique du texte.

Sophie's Choice by William Styron (Book Analysis) Oct 31 2022 Unlock the more straightforward side of Sophie's Choice with this concise and insightful summary and analysis! This engaging summary presents an analysis of Sophie's Choice by William Styron, which follows the young and inexperienced Stingo as he meets and befriends Sophie, a Polish Catholic now living in Brooklyn, and her violent, schizophrenic lover Nathan. As Stingo grows closer to Sophie, he learns that she survived the Nazi concentration camp of Auschwitz, but was forced to make the terrible choice that gives the novel its title. Now, she is racked by guilt and seems unable to escape the shadow of her past, leading her to self-destruct. Sophie's Choice is perhaps William Styron's best-known work, and was adapted into an Academy Award-winning film starring Meryl Streep. Find out

The Suicide Run Aug 17 2021 The Suicide Run collects five of William Styron's meticulously rendered narratives based on his real-life experiences as a U.S. Marine. In "Blankenship," Styron draws on his stint as a guard at a stateside military prison at the end of World War II. "Marriott, the Marine" and "The Suicide Run"—which Styron composed as part of an intended novel that he set aside to write Sophie's Choice—depict the surreal experience of being conscripted a second time, after World War II, to serve in the Korean War. "My Father's House" captures the frustration of a soldier trying to become a civilian again. In "Elobey, Annobón, and Corisco," a soldier attempts to exorcise the dread of an approaching battle by daydreaming about far-off islands, visited vicariously through his childhood stamp collection. Perhaps the last volume from one of literature's greatest voices, The Suicide Run brings to life the drama, absurdity, and heroism that forever changed the men who served in the Marine Corps.

Tinkers Dec 21 2021 Special edition of Paul Harding's Pulitzer Prize-winning debut novel—featuring a new foreword by Marilynne Robinson and book club extras inside In this deluxe tenth anniversary edition, Marilynne Robinson introduces the beautiful novel *Tinkers*, which begins with an old man who lies dying. As time collapses into memory, he travels deep into his past, where he is reunited with his father and relives the wonder and pain of his impoverished New England youth. At once heartbreaking and life affirming, *Tinkers* is an elegiac meditation on love, loss, and the fierce beauty of nature. The story behind this New York Times bestselling debut novel—the first independently published Pulitzer Prize winner since *A Confederacy of Dunces* received the award nearly thirty years before—is as extraordinary as the elegant prose within it. Inspired by his family's history, Paul Harding began writing *Tinkers* when his rock band broke up. Following numerous rejections from large publishers, Harding was about to shelve the manuscript when Bellevue Literary Press offered a contract. After being accepted by BLP, but before it was even published, the novel developed a following among independent booksellers from coast to coast. Readers and critics soon fell in love, and it went on to receive the Pulitzer Prize, prompting the New York Times to declare the novel's remarkable success "the most dramatic literary Cinderella story of recent memory." That story is still being written as readers across the country continue to discover this modern classic, which has now sold over half a million copies, proving once again that great literature has a thriving and passionate audience. Paul Harding is the author of two novels about multiple generations

of a New England family: Enon and the Pulitzer Prize–winning Tinkers. He teaches at Stony Brook Southampton.

Conversations with William Styron Jul 16 2021 The American novelist discusses literature, his writings, and the role of history in fiction

The Root of All Evil Dec 29 2019 The works of William Styron reflect a central theme, best identified in his book dealing with the Holocaust "Sophie's Choice." He propounds a theory of individual development based on egoism, which leads one to attempt to remold men and events to one's will, losing moral scruples in the process. Antisemitism, Southern racism, and anti-feminism can all be explained by this theory.

Sophie's Choice Oct 07 2020 Sophie's Choice: A Contemporary Casebook is a collection of interpretations and reactions to William Styron's famous 1979 novel of the Holocaust. Sophie's Choice won the American Book Award and sold more than three million copies worldwide, but the novel has remained controversial—for its perceived treatment of women, its mixing of sexual comedy with high tragedy, and its legitimacy as an examination of the Holocaust. The items in the casebook are divided into three sections: Sexual Politics, Anti-Semitism and the Holocaust, and Silence. Contributors include Pearl K. Bell, Gloria Steinem, Carolyn A. Durham, Barbara T. Lupack, Richard L. Rubenstein, Cynthia Ozick, Bertram Wyatt-Brown, and Elie Wiesel. The collection is framed by a foreword and an afterword, both by Styron. This casebook will be useful to teachers, students, and scholars; it brings together important commentaries on Sophie's Choice, focuses discussion on key themes and issues, and argues for the central place of the novel in late twentieth-century literature.

Holocaust Fiction Sep 05 2020 Examining the controversies that have accompanied the publication of novels representing the Holocaust, this compelling book explores such literature to analyze their violently mixed receptions and what this says about the ethics and practice of millennial Holocaust literature. The novels examined, including some for the first time, are: * Time's Arrow by Martin Amis * The White Hotel by D.M. Thomas * The Painted Bird by Jerzy Kosinski * Schindler's List by Thomas Keneally * Sophie's Choice by William Styron * The Hand that Signed the Paper by Helen Darville. Taking issue with the idea that the Holocaust should only be represented factually, this compelling book argues that Holocaust fiction is not only legitimate, but an important genre that it is essential to accept. In a growing area of interest, Sue Vice adds a new, intelligent and contentious voice to the key debates within Holocaust studies.

The Novels of William Styron: From Harmony to History Jun 14 2021

Reading My Father Jul 28 2022 PART MEMOIR AND PART ELEGY, READING MY FATHER IS THE STORY OF A DAUGHTER COMING TO KNOW HER FATHER AT LAST— A GIANT AMONG TWENTIETH-CENTURY AMERICAN NOVELISTS AND A MAN WHOSE DEVASTATING DEPRESSION DARKENED THE FAMILY LANDSCAPE. In

Reading *My Father*, William Styron's youngest child explores the life of a fascinating and difficult man whose own memoir, *Darkness Visible*, so searingly chronicled his battle with major depression. Alexandra Styron's parents—the Pulitzer Prize-winning author of *Sophie's Choice* and his political activist wife, Rose—were, for half a century, leading players on the world's cultural stage. Alexandra was raised under both the halo of her father's brilliance and the long shadow of his troubled mind. A drinker, a carouser, and above all “a high priest at the altar of fiction,” Styron helped define the concept of The Big Male Writer that gave so much of twentieth-century American fiction a muscular, glamorous aura. In constant pursuit of The Great Novel, he and his work were the dominant force in his family's life, his turbulent moods the weather in their ecosystem. From Styron's Tidewater, Virginia, youth and precocious literary debut to the triumphs of his best-known books and on through his spiral into depression, *Reading My Father* portrays the epic sweep of an American artist's life, offering a ringside seat on a great literary generation's friendships and their dramas. It is also a tale of filial love, beautifully written, with humor, compassion, and grace.

The Book of Daniel Mar 31 2020 The central figure of this novel is a young man whose parents were executed for conspiring to steal atomic secrets for Russia. His name is Daniel Isaacson, and as the story opens, his parents have been dead for many years. He has had a long time to adjust to their deaths. He has not adjusted. Out of the shambles of his childhood, he has constructed a new life—marriage to an adoring girl who gives him a son of his own, and a career in scholarship. It is a life that enrages him. In the silence of the library at Columbia University, where he is supposedly writing a Ph.D. dissertation, Daniel composes something quite different. It is a confession of his most intimate relationships—with his wife, his foster parents, and his kid sister Susan, whose own radicalism so reproaches him. It is a book of memories: riding a bus with his parents to the ill-fated Paul Robeson concert in Peekskill; watching the FBI take his father away; appearing with Susan at rallies protesting their parents' innocence; visiting his mother and father in the Death House. It is a book of investigation: transcribing Daniel's interviews with people who knew his parents, or who knew about them; and logging his strange researches and discoveries in the library stacks. It is a book of judgments of everyone involved in the case—lawyers, police, informers, friends, and the Isaacson family itself. It is a book rich in characters, from elderly grand- mothers of immigrant culture, to covert radicals of the McCarthy era, to hippie marchers on the Pen-tagon. It is a book that spans the quarter-century of American life since World War II. It is a book about the nature of Left politics in this country—its sacrificial rites, its peculiar cruelties, its humility, its bitterness. It is a book about some of the beautiful and terrible feelings of childhood. It is about the nature of guilt and innocence, and about the relations of people to nations. It is *The Book of Daniel*.

William Styron Apr 24 2022 A “mesmerizing” biography of the #1 New York Times–bestselling author of *Sophie's Choice*,

The Confessions of Nat Turner, and Darkness Visible (Entertainment Weekly). William Styron was one of the most highly regarded and controversial authors of his generation. In this illuminating biography, James L. W. West III draws upon letters, papers, and manuscripts as well as interviews with Styron's friends and family to recount in rich detail the experiences that shaped each of his groundbreaking books. From Styron's Southern upbringing, which deeply influenced the Pulitzer Prize-winning *The Confessions of Nat Turner* and National Book Award-winning *Sophie's Choice*, to his feud with Norman Mailer and the clinical depression that led to his acclaimed memoir *Darkness Visible*, West's remarkable biography provides invaluable insight into the life and works of a giant of American literature.

Language and Silence Sep 25 2019 The evolution and manipulation of language from the celebrated author of *After Babel*. "A keenly discriminating literary mind at work on what it loves" (The New York Times Book Review). *Language and Silence* is a book about language—and politics, meaning, silence, and the future of literature. Originally published between 1958 and 1966, the essays that make up this collection ponder whether we have passed out of an era of verbal primacy and into one of post-linguistic forms—or partial silence. Steiner explores the idea of the abandonment of contemporary literary criticism, from the classics to the works of William Shakespeare, Lawrence Durrell, Thomas Mann, Leon Trotsky, and more.

William Styron's Sophie's Choice Sep 29 2022 Although *Sophie's Choice* by William Styron won the American Book Award for fiction, it met with some very mixed reviews. Some critics regarded the novel as bombastic and melodramatic—in short, a colossal failure. In William Styron's "Sophie's Choice," Rhoda Sirlin demonstrates that *Sophie's Choice* is Styron's most audacious, original, and artistically successful novel to date. First, this book will counter the many critics who have assailed the novel as anti-Semitic. Sirlin then counters the argument that *Sophie's Choice* is a sexist novel and that Styron and his youthful alter ego, Stingo, are misogynists. Finally, Sirlin explores the novel's powerful theme—absolute evil, showing that while insisting on the power and inextinguishability of evil in human beings and nature, Styron ultimately provides a compassionate vision of humanity struggling for meaning in an indifferent universe. Through this examination, Sirlin shows that Styron must be appreciated as one of the most audacious and humane voices in contemporary literature.

Depression Feb 29 2020 How does a writer compose a suicide note? This was not a question that the prize-winning novelist William Styron had ever contemplated before. In this true account of his depression, Styron describes an illness that reduced him from a successful writer to a man arranging his own destruction. He lived to give us this gripping description of his descent into mental anguish, and his eventual success in overcoming a little-understood yet very common condition. Study Guide Apr 12 2021 SuperSummary, a modern alternative to SparkNotes and CliffsNotes, offers high-quality study guides for challenging works of literature. This 55-page guide for "Sophie's Choice" by William Styron includes detailed chapter summaries and analysis covering 16 chapters, as well as several more in-depth sections of expert-written literary analysis. Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Destructive Guilt and Fatal Choices.

Sophie's Choice Jan 02 2023 This award-winning novel of love, survival, and agonizing regret in post-WWII Brooklyn "belongs on that small shelf reserved for American masterpieces" (The Washington Post Book World). Winner of the National Book Award and a modern classic, Sophie's Choice centers on three characters: Stingo, a sexually frustrated aspiring novelist; Nathan, his charismatic but violent Jewish neighbor; and Sophie, an Auschwitz survivor who is Nathan's lover. Their entanglement in one another's lives will build to a stirring revelation of agonizing secrets that will change them forever. Poetic in its execution, and epic in its emotional sweep, Sophie's Choice explores the good and evil of humanity through Stingo's burgeoning worldliness, Nathan's volatile personality, and Sophie's tragic past. Mixing elements from Styron's own experience with themes of the Holocaust and the history of slavery in the American South, the novel is a profound and haunting human drama, representing Styron at the pinnacle of his literary brilliance. This ebook features an illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

The Long March Jan 22 2022 The author of Sophie's Choice, "the foremost writer of his generation," portrays a rebellion by two marines on a miles-long march in the Carolina heat (The Wall Street Journal). In the shadow of the Korean War, a series of misfired mortar shells kill six men in a marine camp during a training exercise, prompting the commanding officer to order a grueling punishment: a thirty-six mile march through the suffocating heat of the Carolina summer. Intended to beat discipline into the aging reservists, the march instead rankles marines Culver and Mannix, whose growing resentment of the brutal trek leads to an ultimate, powerful act of rebellion. Styron's *The Long March* is a withering critique of a military system that leaves no room for dignity or personal identity. Told in part through flashbacks and dream sequences, the story is immersed in vivid language and philosophical reflection—a poignant defense of the individual in the face of attempted dehumanization. This short novel marks another triumph by the New York Times–bestselling author of Sophie's Choice and *Darkness Visible*, who has been honored with both a Pulitzer Prize and a National Book Award, among other accolades. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family

and the Duke University Archives.

Letters to My Father May 02 2020 “I’ve finally pretty much decided what to write next—a novel based on Nat Turner’s rebellion,” twenty-six-year-old William Styron confided to his father in a letter he wrote on May 1, 1952. Styron would not publish his Pulitzer Prize–winning *The Confessions of Nat Turner* until 1967, but this letter undercuts those critics who later attacked the writer as an opportunist capitalizing on the heated racial climate of the late 1960s. From 1943 to 1953, Styron wrote over one hundred letters to William C. Styron, Sr., detailing his adventures, his works in progress, and his ruminations on the craft of writing. In *Letters to My Father*, Styron biographer James L. West III collects this correspondence for the first time, revealing the early, intimate thoughts of a young man who was to become a literary icon. Styron wrote his earliest letters from Davidson College, where he was very much unsure of himself and of his prospects in life. By the last few letters, however, he had achieved a great deal: he had earned a commission in the Marine Corps, survived World War II, published the novel *Lie Down in Darkness* (1951) and the novella *The Long March* (1953), and won the Prix de Rome. He had also recently married and was about to return to the United States from an expatriate period in Paris and Rome. The letters constitute a portrait of the artist as a young man. They read like an epistolary novel, with movement from location to location and changes in voice and language. Styron was extremely close to his father and quite open with him. His story is a classic one, from youthful insecurity to artistic self-discovery, capped by recognition and success. There are challenges along the way for the hero—poor academic performance, a syphilis scare, writer’s block, temporary frustration in romance. But Styron overcomes these difficulties and emerges as a confident young writer, ready to tackle his next project, the novel *Set This House on Fire* (1960). Rose Styron, the author’s widow, contributes a prefatory memoir of the senior Styron. West has provided comprehensive annotations to the correspondence, and the volume also has several illustrations, including facsimiles of some of the letters, which survive among Styron’s papers at Duke University. Finally, there is a selection of Styron’s apprentice fiction from the late 1940s and early 1950s. In all of American literature, no other extended series of such letters—son to father—exists. *Letters to My Father* offers a unique glimpse into the formative years of one of the most admired and controversial writers of his time.

Lie Down in Darkness Jun 26 2022 This portrait of a Southern family’s downfall was the literary debut of the #1 New York Times–bestselling author of *Sophie’s Choice*. A finalist for the National Book Award, *Lie Down in Darkness* centers on the Loftis family—Milton and Helen and their daughters, Peyton and Maudie. The story, told through a series of flashbacks on the day of Peyton’s funeral, is a powerful depiction of a family doomed by its failure to forget and its inability to love. Written in masterful prose that “achieves real beauty” (*The Washington Post*), William Styron’s debut novel offers unflinching insight into the ineradicable bonds of place and family. The story of Milton, Helen, and their children reveals much about life’s losses and

disappointments. *Lie Down in Darkness*, poignant and compelling, is a classic of modern American literature from the author who went on to earn high critical acclaim—with a Pulitzer Prize for *The Confessions of Nat Turner* and a National Book Award for *Sophie's Choice*—and a place at the top of the New York Times bestseller list. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

A Cynthia Ozick Reader Aug 24 2019 Offers seven poems, seven works of fiction, including an excerpt from the author's novel "Trust," and eight essays that discuss such authors as Virginia Woolf, Edith Wharton, and Henry James, feminism, and other topics

A Tidewater Morning Nov 19 2021 From the #1 New York Times–bestselling author of *Sophie's Choice*: three novellas of a young writer's journey to adulthood. In *Love Day*, twenty-year-old Paul Whitehurst is a Marine lieutenant during World War II, waiting to land on Okinawa, wrestling with anxiety and memories of his boyhood in Virginia. In *Shadrach*, ten-year-old Paul witnesses his neighbors as they welcome a guest: a ninety-nine-year-old former slave who has walked nine hundred miles from Alabama so that he may die on the land of his childhood owner. And in *A Tidewater Morning*, Paul is thirteen and struggling to deal with his mother's impending death from cancer. Together in one volume, each of these affecting semiautobiographical novellas from the author of such literary classics as the Pulitzer Prize–winning *The Confessions of Nat Turner* and the memoir *Darkness Visible*, weaves together the transformative experiences of Whitehurst's early life with William Styron's signature deep historical insight, underscoring how the significance of the past informs the present. As the Los Angeles Times notes, it is "one of Styron's finest works. . . . The beauty and humanity of the Southern tradition are evoked vividly." This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Quarrel & Quandary Mar 12 2021 *Quarrel & Quandary* showcases the manifold talents of one of our leading and award-winning critics and essayists. In nineteen opulent essays, Cynthia Ozick probes Dostoevsky for insights into the Unabomber, questions the role of the public intellectual, and dares to wonder what poetry is. She roams effortlessly from Kafka to James, Styron to Stein, and, in the book's most famous essay, dissects the gaudy commercialism that has reduced Anne Frank to "usable goods." Courageous, audacious, and sublime, these essays have the courage of conviction, the probing of genius, and the durable audacity to matter.

William Styron's *Sophie's Choice* Aug 05 2020 A critical overview of the work features the writings of Nancy Chinn, William Heath, Elisabeth Herion-Sarafidis, Richard G. Law, Gideon Telpaz, and Janet M. Stanford.

Selected Letters of William Styron Jun 02 2020 In 1950, at the age of twenty-four, William Clark Styron, Jr., wrote to his mentor, Professor William Blackburn of Duke University. The young writer was struggling with his first novel, *Lie Down in Darkness*, and he was nervous about whether his “strain and toil” would amount to anything. “When I mature and broaden,” Styron told Blackburn, “I expect to use the language on as exalted and elevated a level as I can sustain. I believe that a writer should accommodate language to his own peculiar personality, and mine wants to use great words, evocative words, when the situation demands them.” In February 1952, Styron was awarded the Prix de Rome of the American Academy of Arts and Letters, which crowned him a literary star. In Europe, Styron met and married Rose Burgunder, and found himself immersed in a new generation of expatriate writers. His relationships with George Plimpton and Peter Matthiessen culminated in Styron introducing the debut issue of *The Paris Review*. Literary critic Alfred Kazin described him as one of the postwar “super-egotists” who helped transform American letters. His controversial *The Confessions of Nat Turner* won the 1968 Pulitzer Prize, while *Sophie’s Choice* was awarded the 1980 National Book Award, and *Darkness Visible*, Styron’s groundbreaking recounting of his ordeal with depression, was not only a literary triumph, but became a landmark in the field. Part and parcel of Styron’s literary ascendance were his friendships with Norman Mailer, James Baldwin, John and Jackie Kennedy, Arthur Miller, James Jones, Carlos Fuentes, Wallace Stegner, Robert Penn Warren, Philip Roth, C. Vann Woodward, and many of the other leading writers and intellectuals of the second half of the twentieth century. This incredible volume takes readers on an American journey from FDR to George W. Bush through the trenchant observations of one of the country’s greatest writers. Not only will readers take pleasure in William Styron’s correspondence with and commentary about the people and events that made the past century such a momentous and transformative time, they will also share the writer’s private meditations on the very art of writing. Advance praise for *Selected Letters of William Styron* “I first encountered Bill Styron when, at twenty, I read *The Confessions of Nat Turner*. Hillary and I became friends with Bill and Rose early in my presidency, but I continued to read him, fascinated by the man and his work, his triumphs and troubles, the brilliant lights and dark corners of his amazing mind. These letters, carefully and lovingly selected by Rose, offer real insight into both the great writer and the good man.”—President Bill Clinton “The Bill Styron revealed in these letters is altogether the Bill Styron who was a dear friend and esteemed colleague to me for close to fifty years. The humor, the generosity, the loyalty, the self-awareness, the commitment to literature, the openness, the candor about matters closest to him—all are on display in this superb selection of his correspondence. The directness in the artful sentences is such that I felt his beguiling presence all the while that I was enjoying one letter after another.”—Philip Roth “Bill Styron’s letters were never envisioned, far less composed, as part of the Styron oeuvre, yet that is what they turn out to be. Brilliant, passionate, eloquent, insightful, moving, dirty-minded, indignant, and hilarious, they

accumulate power in the reading, becoming in themselves a work of literature.”—Peter Matthiessen

Sophie's Choice Dec 01 2022 ONE OF TWELVE TITLES IN VINTAGE'S A FORMAT WAR PROMOTION In this extraordinary novel, Stingo, an inexperienced twenty-two year old Southerner, takes us back to the summer of 1947 and a boarding house in a leafy Brooklyn suburb. There he meets Nathan, a fiery Jewish intellectual; and Sophie, a beautiful and fragile Polish Catholic. Stingo is drawn into the heart of their passionate and destructive relationship as witness, confidant and supplicant. Ultimately, he arrives at the dark core of Sophie's past: her memories of pre-war Poland, the concentration camp and - the essence of her terrible secret - her choice.

New Directions in Jewish American and Holocaust Literatures Nov 07 2020 Surveys the current state of Jewish American and Holocaust literatures as well as approaches to teaching them. What does it mean to read, and to teach, Jewish American and Holocaust literatures in the early decades of the twenty-first century? New directions and new forms of expression have emerged, both in the invention of narratives and in the methodologies and discursive approaches taken toward these texts. The premise of this book is that despite moving farther away in time, the Holocaust continues to shape and inform contemporary Jewish American writing. Divided into analytical and pedagogical sections, the chapters present a range of possibilities for thinking about these literatures. Contributors address such genres as biography, the graphic novel, alternate history, midrash, poetry, and third-generation and hidden-child Holocaust narratives. Both canonical and contemporary authors are covered, including Michael Chabon, Nathan Englander, Anne Frank, Dara Horn, Joe Kupert, Philip Roth, and William Styron. Victoria Aarons is O.R. & Eva Mitchell Distinguished Professor of English at Trinity University. She is the author of several books, including *Third-Generation Holocaust Narratives: Memory in Memoir and Fiction* and *The Cambridge Companion to Saul Bellow*. Holli Levitsky is Professor of English and Director of Jewish Studies at Loyola Marymount University and Affiliated Professor at the University of Haifa. She is the author of *Summer Haven: The Catskills, the Holocaust, and the Literary Imagination*.

The Achievement of William Styron Sep 17 2021 The publication of *Sophie's Choice*, one of William Styron's greatest literary achievements, generated a new spark in the critical discussion of the author and is the main emphasis of the interview with Styron and one of the additional essays in this revised edition. The interview was conducted by Robert K. Morris; the essay on *Sophie's Choice* by Richard Pearce. Other essays include Jane Flanders on Styron's southern myth, Philip W. Leon on Styron's narrative technique, and Ardner R. Cheshire, Jr., and Mary S. Strine on *The Confessions of Nat Turner*. Originally published in 1975, *The Achievement of William Styron* was the first collection of critical essays on one of America's most distinguished contemporary fiction writers, and it has become a standard work. Essays from the original edition which are included in this

revised edition are those by the editors, and by Louis D. Rubin, Jr., John O. Lyons, Jan B. Gordon, Robert Phillips, and George Core.

This Quiet Dust May 26 2022 “Thoughtful, candid” essays from the author of the #1 New York Times bestseller *Sophie’s Choice* (The Christian Science Monitor). This *Quiet Dust* is a compilation of William Styron’s nonfiction writings that confront significant moral questions with precision and vigor. He examines topics as diverse as the Holocaust, the American Dream, and the controversy that raged around his Pulitzer Prize–winning novel, *The Confessions of Nat Turner*. In each entry, Styron expertly wields his powers of insight to slice through the most complex issues. This *Quiet Dust* offers a window into the philosophical underpinnings of Styron’s greatest novels and is the ideal entry for readers seeking a greater understanding into the work of one of America’s most celebrated authors. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Darkness Visible Feb 08 2021 The New York Times–bestselling memoir of crippling depression and the struggle for recovery by the Pulitzer Prize–winning author of *Sophie’s Choice*. In the summer of 1985, William Styron became numbed by disaffection, apathy, and despair, unable to speak or walk while caught in the grip of advanced depression. His struggle with the disease culminated in a wave of obsession that nearly drove him to suicide, leading him to seek hospitalization before the dark tide engulfed him. *Darkness Visible* tells the story of Styron’s recovery, laying bare the harrowing realities of clinical depression and chronicling his triumph over the disease that had claimed so many great writers before him. His final words are a call for hope to all who suffer from mental illness that it is possible to emerge from even the deepest abyss of despair and “once again behold the stars.” This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Ethics at the Cinema Dec 09 2020 The editors of *Ethics at the Cinema* invited a diverse group of moral philosophers and philosophers of film to engage with ethical issues raised within, or within the process of viewing, a single film of each contributor's choice. The result is a unique collection of considerable breadth. Discussions focus on both classic and modern films, and topics range from problems of traditional concern to philosophers (e.g. virtue, justice, and ideals) to problems of traditional concern to filmmakers (e.g. sexuality, social belonging, and cultural identity).

The Flying Troutmans Oct 26 2019 "This saga of bad luck and good company is a wry, scary, heartfelt ode to the traverses we have to make in life when we're at the end of our rope and there's no net below us." —ELLE When Hattie's moody boyfriend dumps her in Paris, she returns home to find that her sister Min is in the psych ward again. Freaked out by the prospect of

becoming a surrogate mother to Min's kids, Logan and Thebes, Hattie decides to take them in the family van to find their father, last heard to be running an idiosyncratic art gallery in South Dakota. What ensues is a remarkable journey across America, as aunt and kids—through chaos as diverse as their personalities—discover one another to be both far crazier and far more normal than any of them thought.

Imaginings Of Sand Jul 04 2020 THE BOOK: A narrative counterpoint between two women, two South Africas. Kristien Muller returns from London to her homeland to fulfil a promise. Her grandmother lies on her deathbed unleashing a turmoil of myth, legend and brute fact. Confronted by the realities of a land hurtling towards change, Kristien discovers that the present holds its own moments of savagery. A searing panorama of South Africa's experience, reminiscent in its political & imaginative scope of Marquez's One Hundred Years Of Solitude.
