[Tropic of Stupid](#) Oct 05 2020 Serge A. Storms

embarks on a tour to meet his long-lost relatives in this latest madcap entry in the bestselling series from Florida's "compulsively irreverent and shockingly funny" (Boston Globe) Tim Dorsey. Devoted Floridaphile Serge Storms is a lover of history, so he's decided to investigate his own using one of those DNA services from late-night TV. Excited to construct a family tree, he and Coleman hit the road to meet his kin. Along the way, he plans to introduce Coleman to the Sunshine State's beautiful parks where he can brush up on his flora, fauna, and wildlife, and more importantly, collect the missing stamps for his park passport book. But as the old saying goes, the apple doesn't fall far . . . Serge is thrilled to discover he may be related to a notorious serial killer who's terrorized the state for twenty years and never been caught. Which one of his newfound relatives will be the one to help him hunt down this deranged maniac? Serge doesn't know that a dogged investigator from the Florida Department of Law Enforcement is also hot on the trail. Then Serge meets a park ranger who's also longing to make a family re-connection. But all is not as it appears on the surface, and Serge's newfound friendship in the mysterious swamps of Florida may lead to deadly

results. Finding his own relatives has made Serge understand the importance of family. Of course he'll do anything to help . . .

*Clownfish Blues* Sep 23 2019 A (Serge A.) Storm is brewing for a cabal of bad guys gaming the Florida state lottery in this insanely funny novel from the maestro of mayhem, Tim Dorsey. If you're loud and proud Floridian Serge A. Storms, how do you follow up your very own remake of *Easy Rider*? You shoot your own "episodes" of your favorite classic television show, *Route 66*! With Coleman riding shotgun, Serge is rolling down the highway of his dreams in a vintage silver convertible Corvette just like the snazzy car Martin Milner drove. It doesn't matter that the actual Route 66 didn't pass through Florida, for Serge discovers that a dozen episodes near the series' end were filmed (really!) in his beloved home state. So for Serge and the always toked and stoked Coleman, the Sunshine State is all the road you need to get your kicks. But their adventure traveling the byways of the Sunshine State's underbelly is about to take a detour. Someone is trying to tilt the odds in the state lottery amidst a conga line of huge jackpots spinning off more chaos than any hurricane season. With this much at stake, of course every

shady character wants in. Crooked bodega owners, drug cartels laundering money through the lottery, and venture capitalists are all trying to game the system—and lining up to get their cut. They're also gambling with their lives, because when Serge and Coleman get hip to this timely (and very lucrative) trip, there's no telling whose number is up next. Throw in Brooke Campanella, Serge's old flame, as well as the perpetually star-crossed Reevis, and it's a sure bet that the ever lucky Serge will hit it big. Winning has never been this deadly—or this much fun!

**Shark Skin Suite** Aug 22 2019 Bottom feeders beware: the Sunshine State's favorite psychotic killer and lovable Floridaphile Serge Storms has found a new calling, legal eagle, and he's going to make a killing as a crusading attorney—and star as a dashing lawyer on the big screen—in this madcap escapade from the insanely funny New York Times bestselling author Tim Dorsey. When it comes to swimming with the sharks, there is no bigger kahuna than Serge Storms. Binging on a marathon of legal movies set in Florida, Serge finds his calling: the law. Never mind law school or that degree, Serge becomes a freelance fixer—wildcat paralegal and pilgrim to

the hallowed places where legal classics of the big screen such as *Body Heat*, *Cool Hand Luke*, and *Absence of Malice* were filmed practically in his own backyard. One of Serge's old flames, young lawyer Brook Campanella, is also a rising star thanks to her expertise in the field of foreclosure law. Ruthless at taking down the greedy banksters kicking people out of their homes, she lands a major class-action lawsuit, and wins big. The opposition is determined to shut her down and they'll go to extreme lengths to do it. Luckily for her, Serge has been hired to do some investigative legwork on the case. There's nothing he likes better than saving a damsel in distress, especially when it means kicking a bunch of shyster butt. The mayhem comes to a hilarious head at the Key West courthouse, at the height of the island's raucous Fantasy Fest street carnival, and no one, including Serge, will ever be the same.

*When Elves Attack* Mar 10 2021 "The undisputed king of the comic crime novel." —Providence Journal Nobody does Florida weirdness quite like Tim Dorsey! DIV""Academia (n.): a profession filled with bad food, knee-jerk liberalism, and murder... Being a member of the House of Lords and Mistress of St Marthas College in Cambridge might seem enough to keep anyone busy, but Baroness (Jack) Troutbeck likes new challenges. When a combination of weddings, work, and spookery deprives her of five of her closest allies, she leaps at an invitation to become a Distinguished

Visiting Professor on an American campus. With her head full of romantic fantasies inspired by 1950s Hollywood, and accompanied by Horace, her loquacious and disconcerting parrot, this intellectually-rigorous right-winger sets off from England blissfully unaware that academia in the United States is dominated by knee-jerk liberalism, contempt for Western civilization, and the institutionalisation of a form of insane political-correctness. Will the *bonne viveuse* Baroness Troutbeck be able to cope with the culinary and vinous desert that is New Paddington, Indiana? Can this insensitive and tactless human battering-ram defeat the thought-police who run Freeman State University like a gulag? Does she believe the late Provost was murdered? If so, what should she do about it? And will she manage to persuade Robert Amis who describes himself bitterly as Watson to her Holmes and Goodwin to her Nero Wolfe to abandon his honeymoon and fly to her side?/div

dispensing his own signature brand of Sunshine State justice. Along the trail, he and his sidekick, Coleman, attract a growing following of the nation's top college students . . . and a mysterious gang that leaves a trail of young bodies in its wake. Then there are the coke smugglers gone legit and a pair of the most dangerously sexy bartenders ever to mix a rum runner. After years of quiet, a legendary Miami kingpin from the anything-goes eighties is suddenly back in the news . . . along with one of the state's most psychotic monsters. So pack the cooler, load the car, and head to where the water is warm for a spring vacation you won't soon forget—no matter how much you might try!

**Last Times** Feb 06 2021 A story of displacement and resistance during the early days of the Nazi occupation of France. Last Times, Victor Serge's epic novel of the fall of France, is based—like much of his fiction—on firsthand experience. The author was an eyewitness to the last days of Paris in June 1940 and joined the chaotic mass exodus south to the unoccupied zone on foot with nothing but his manuscripts. He found himself trapped in Marseille under the Vichy government, a persecuted, stateless Russian, and participated in the early French Resistance before escaping on

the last ship to the Americas in 1941. Exiled in Mexico City, Serge poured his recent experience into a fast-moving, gripping novel aimed at an American audience. The book begins in a near-deserted Paris abandoned by the government, the suburbs already noisy with gunfire. Serge's anti-fascist protagonists join the flood of refugees fleeing south on foot, in cars loaded with household goods, on bikes, pushing carts and prams under the strafing Stukas, and finally make their way to wartime Marseille. Last Times offers a vivid eyewitness account of the city's criminal underground and no less criminal Vichy authorities, of collaborators and of the growing resistance, of crowds of desperate refugees competing for the last visa and the last berth on the last—hoped-for—ship to the New World.

accommodations, a robbery, and a not-so-helpful police department make them rethink their decision to drown their troubles in paradise. Luckily, charismatic (and crazy!) tour guide Serge Storms and his sidekick, Coleman, are up for another action-packed adventure in this outrageous crime thriller that Tim Dorsey fans won't soon forget.

When detective Stephen Ramsay starts asking questions in the village, a more ambiguous picture begins to emerge. Yes, old Mrs. Parry was loved by everyone, but sometimes her kindness had caused trouble. Even among her neighbours, Alice Parry's helpfulness had sometimes misfired; and after her death, tension tight as a clenched fist grips

the uneasy village. Meanwhile, the suspects keep rolling in, and Heppleburn's friendly neighbourhood killer continues his nasty piece of work . . .

Orange Crush Jun 12 2021 The Republicans' "golden boy" -- and a loyal, unquestioning tool of the powerful special interests -- handsome, unthreatening, Florida governor-by-default Marlon Conrad seems a virtual shoo-in for re-election. That is, until he undergoes a radical personality shift during a bloody military action in the Balkans. Now it's just three weeks before the election and Marlon is suddenly talking about "issues" and "reform" as he crosses the length and breadth of his home state with an amnesiac speechwriter and a chief of staff who turns catatonic in the presence of minorities. The governor's new-found conscience might well cost him the election, though. And it appears that pretty much everybody from Tallahassee to Miami Beach is trying to kill him...

**Hammerhead Ranch Motel** Jul 26 2022 There's a different schemer or slimeball behind every door: cocaine duckpins who have survived only by the dumbest fortune, hard-luck gigolos desperate to score, undercover cops busting

undercover cops who are running sting operations on undercover cops. And just down the row, local historian and spree killer Serge A. Storms -- who has stopped keeping up with his meds -- is still looking for a briefcase stuffed with five million dollars...and is now capable of wreaking more havoc than hurricane Rolando-berto, the big wind gathering force offshore, just waiting for the opportunity to blow everything straight to hell. Pack up your bags and head south to sunny Florida. Leave your rational mind at home and come well armed. There's a room with your number on it at the Hammerhead Ranch Motel.

**The Pope of Palm Beach** Jul 14 2021 From Florida's king of mayhem—"compulsively irreverent and shockingly funny" (Boston Globe) New York Times bestselling author Tim Dorsey—comes a diabolically madcap adventure featuring the indomitable Serge A. Storms. No one worships the Sunshine State as much as Serge A. Storms. Perpetually hunting Floridian arcana and lore, he and his permanently baked sidekick, Coleman, are on the road again. This time they're on a frenzied literary pilgrimage that leads them back to Riviera Beach, the cozy seaside town where the boys spent their

formative years. Growing up, Serge was enthralled by the Legend of Riviera Beach, aka Darby, a welder at the port who surfed the local waves long before the hot spots were hot. A god on the water, the big-hearted surfer was a friend to everyone—the younger surfers, cops, politicians, wealthy businessmen and ordinary Joes—a generosity of spirit that earned him the admiration of all. Meanwhile, there was a much murkier legend that made the rounds of the schoolyards from Serge's youth—that of the crazy hermit living in a makeshift jungle compound farther up the mysterious Loxahatchee River than anyone dared to venture. Then Serge moved away. But never forgot. Now he's back, with those legends looming larger than ever in the rearview mirror of his memory. As his literary odyssey moves north from Key West, closer and closer to his old stomping grounds, Serge digs into the past as only Serge can. Along the way, he unintentionally disturbs some long-forgotten ground, attracting the attention of a cast of villains that only Florida can produce. As the body count grows, so does the list of questions: Why are the guys in the hard hats worried about the monkeys? When do you hack a motel air-conditioner? How does Coleman get high with cat

toys? Who is expecting the dildo? And will book tours ever be the same after Serge decides to check one out? Told in alternating flashbacks between Serge and Coleman's childhoods and the present day, *The Pope of Palm Beach* is a witty and deliciously violent delight from the twisted imagination of Tim Dorsey.

*In the Time of the Butterflies* Nov 05 2020 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of

courage and love, and the human cost of political oppression.

But in the oddball circus known as the Sunshine State, little things like astronomical body counts tend to get lost in

With his best bro Coleman riding shotgun, Serge hits the highway in his gold '69 Plymouth Satellite, putting pedal to the metal on a grand tour of the past. Beginning in Key West, the sunshine boys' odyssey includes a forgotten mass grave in Palm Beach County holding the remains of African Americans killed by the Great Hurricane of 1928, and the resting place of one world-famous television dolphin (RIP Flipper) from the 1960s. But one deadland—a haunted old sugar field—holds more than just the bones of those who've passed. For years, local children have whispered about a boogeyman hiding among the stalks. Could it be the same maniac known as Naked Florida Man, who's been raising hell all over the place? There are few things Serge loves more than solving a good mystery and bestowing justice on miscreants who sully his beloved home's good name. With his partner Bong Man, Florida's psycho superhero will find the truth in this hilariously violent delight—packed with history, lore, and plenty of motel antics—from the insanely ingenious Tim Dorsey.
