Two exes reach a new level of awkward when forced to take a road trip together in this endearing and humorous novel by the author of the international bestseller *The Flatshare*. What if the end of the road is just the beginning? Four years ago, Dylan and Addie fell in love under the Provence sun. Wealthy Oxford student Dylan was staying at his friend Cherry's enormous French villa; wild child Addie was spending her summer as the on-site caretaker. Two years ago, their relationship officially ended. They haven't spoken since. Today, Dylan's and Addie's lives collide again. It's the day before Cherry's wedding, and Addie and Dylan crash cars at the start of the journey there. The car Dylan was driving is wrecked, and the wedding is in rural Scotland—he'll never get there on time by public transport. So, along with Dylan's best friend, Addie's sister, and a random guy on Facebook who needed a ride, they squeeze into a space-challenged Mini and set off across Britain. Cramped into the same space, Dylan and Addie are forced to confront the choices they made that tore them apart—and ask themselves whether that final decision was the right one after all. A sequel to *Jessica's Guide to Dating on the Dark Side* finds newlywed

Jessica Packwood struggling with her initial responsibilities as a royal vampire until Lucius is wrongly condemned for the murder of a powerful elder. 75,000 first printing. I'm done hiding who I am. Pretending to be straight, to be the loving, devoted husband and successful ER doctor everyone wanted me to be has been exhausting. I numbed the pain any way I could, and in the end, it cost me everything. My job, my marriage, the relationship with my grown kids. But now I'm in recovery, and for the first time, I'm living my true life as an out gay man. I need to get my act together, to get healthy again. Benoni is my new personal trainer...twenty years my junior. He makes my mouth water and certain other body parts react. Oh, and he's also my son's best friend. I'm forty-seven years old. It's time for a clean start. But where does Benoni fit in? Clean Start at Forty-Seven is part one of a duology, an emotional MM romance with an age gap, first time gay, loads of hurt/comfort, and the beginnings of a beautiful Daddy/boy relationship. It contains themes of opioid addiction and religious homophobia. Please check the trigger warnings in the front of the book. "Durst consistently defies expectations."—Publishers Weekly (starred review) From award-winning author Sarah Beth Durst, a standalone epic fantasy set in a brand-new world of towering mountains and sparkling cities, in which a band of aging warriors have a second chance to defeat dark magic and avenge a haunting loss. Twenty-five years ago, five heroes risked their lives to defeat the bone maker Eklor—a corrupt magician who created an inhuman army using animal bones. But victory came at a tragic price. Only four of the heroes survived. Since then, Kreya, the group's leader, has exiled herself to a remote tower and devoted herself to one purpose: resurrecting her dead husband. But such a task requires both a cache of human bones and a sacrifice—for each day he lives, she will live one less. She'd rather live one year with her husband than a hundred without him, but using human bones for magic is illegal in Vos. The dead are burned—as are any bone workers who violate the law. Yet Kreya knows where she can find the bones she needs: the battlefield where her husband and countless others lost their lives. But defying the laws of the land exposes a terrible possibility. Maybe the dead don't rest in peace after all. Five warriors—one broken, one gone soft, one pursuing a simple life, one stuck in the past, and one who should be dead. Their story should have been finished. But evil doesn't stop just because someone once said, "the end." From a #1 New York Times bestseller, "the master of blending emotionally believable characters in realistic situations," an opposites attract romance (Library Journal). Beth Davis's fairy-tale days are over . . . or so the single mother of two thinks. She suddenly finds herself on a date with her very own Prince Charming, millionaire bachelor Todd Graham. He's smart, sexy and very eligible—everything a woman could want in a man. But Beth's a suburban mom, and approaching forty . . . She's not sure if she's Cinderella material. Todd was

supposed to be raising money for charity, not auctioning off his heart, but he never expected to be so taken with his date. Something in Beth's smile captures the Texas tycoon's attention, and suddenly life as a bachelor seems less exciting than it used to. But they're worlds apart, and building a life with Beth isn't as simple as all that. Can these unlikely lovers find their courage—and the fairy-tale ending they deserve? “Mallery is an expert at writing about strong women, their friendships, and their romances.” —Booklist “Susan Mallery never disappoints.” —Debbie Macomber, #1 New York Times–bestselling author of *The Best is Yet to Come* In this “engaging” teen romance From a #1 New York Times bestseller, “a high school senior falls for the boy who accidentally killed her sister” (Kirkus Reviews). Beth's life hasn't been the same since her sister died. Her parents try to lock her down, believing they can keep her safe by monitoring her every move. When Beth sneaks out to a party one night and meets the new guy in town, Chase, she's thrilled to make a secret friend. It seems like a small thing, just for her. Only Beth doesn't know how big her secret really is . . . Fresh out of juvie and determined to start his life over, Chase has demons to face and much to atone for, including his part in the night Beth's sister died. Beth, who has more reason than anyone to despise him, is willing to give him a second chance. A forbidden romance is the last thing either of them planned for senior year, but the more time they spend together, the deeper their feelings get. Now Beth has a choice to make—follow the rules, or risk tearing everything apart . . . again. “Watt skillfully dissects an extremely complicated and highly improbable situation to reveal the layers of emotions experienced by Beth and other characters.” —Publishers Weekly “Erin Watt always delivers a high-octane story with plenty of twists. *One Small Thing* is a journey of love and forgiveness and exploring the boundaries of life. You grow with these characters as they learn how beautiful and difficult life can be.” —USA Today “Happily Ever After” Blog In this environmental thriller graphic novel with a supernatural twist, Dee must find out what happened to her missing twin. An amazing mystery filled with strange creatures, high school drama, and family, this darkly illustrated book shows us that monsters are all around us. There are monsters in the woods. Something supernatural is lurking in the woods. While out searching for her missing sister and desperately trying to find any possible clues to her whereabouts, Dee discovers something . . . isn't quite right . . . in the woods. Dee soon finds herself in the middle of a battle to save the pinelands, and she's finding more suspects, and more questions, than answers. As time goes on, there is only one thing she knows for certain: there are monsters among us. But they aren't who you should be afraid of . . . *I Hate Reading* is a highly visual chapter book designed to help even the most reluctant reader breeze through reading time, feel successful at reading, and even laugh! Get reluctant readers reading with *I Hate Reading*! OK. So, you have to read for

If someone's bugging you to open a book, grab this one. In this book, you'll zoom through 20 minutes of reading . . . without really reading! Did you know that 65% of 4th graders in the US read below grade level? Learning to read can be frustrating. But it can also be fun. *I Hate Reading* by Beth Bacon validates the experience of reluctant readers and rewards them with laughter. Does true love break curses or begin them? The dark sorceress of "Sleeping Beauty" reclaims her story in this sequel to *Malice*. "Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology."—Booklist (starred review) The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce's wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce's thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce's vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? Book Two of the *Malice Duology*

The third book in *The Kissing Booth* series - based on the upcoming Netflix film! A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine

Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora

is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology NOW A NETFLIX MOVIE STARRING JOEY KING AND JACOB ELORDI! Read the first book in the Kissing Booth series for some fun, fresh romance from Beth Reekles. Meet Rochelle "Elle" Evans: pretty, popular—and never been kissed. Meet Noah Flynn: badass, volatile—and a total player. When Elle decides to run a kissing booth at her school's Spring Carnival, she locks lips with Noah and her life is turned upside down. Her head says to keep away, but her heart wants to draw closer. This romance seems far from a fairy tale. Is Elle headed for heartbreak or will she get her happily ever after? Don't miss the next two books in the series: -The Kissing Booth #2: Going the Distance -The Kissing Booth #3: One Last Time (on sale August 2021) From the creators of GOSSIP GIRL comes a fresh, edgy take on teenage romance. Three interconnected stories explore the different stages of love over the course of one summer on the seashore. It's summer. It's hot. And it's time to hook up. Cousins Ella, Beth, and Jamie are at their family's beach house, and they're gearing up for the wildest time of their lives. Sassy Ella is majorly crushing on a cute older boy -- who just happens to be her sister's new boyfriend. Meanwhile, practical Beth is surprised when she finds herself falling for her best friend George. And shy, creative Jamie gets her heart broken when her summer love abandons her. Three girls, too many boys, and some seriously stormy romances...it all adds up to one unforgettable summer. Fans of Cassandra Clare and Julie Kagawa will devour this contemporary fantasy about a teen were-dragon who must steal her first treasure. But a dark discovery during her heist could put her family in incredible danger. In Sky Hawkins's family, leading your first heist is a major milestone--even more so than learning to talk, walk, or do long division. It's a chance to gain power and acceptance within your family, and within society. But stealing your first treasure can be complicated, especially when you're a wyvern--a human capable of turning into a dragon. Embarking on a life of crime is never easy, and Sky discovers secrets about her mother, who recently went missing, the real reason her boyfriend broke up with her, and a valuable jewel that could restore her family's wealth and rank in their community. With a handpicked crew by her side, Sky knows she has everything she needs to complete her first heist, and get her boyfriend and mother back in the process. But then she uncovers a dark truth about were-dragon society--a truth more valuable and dangerous than gold or jewels could ever be. "Propulsive and intricate, Greta Kelly has constructed a world of twisting politics and thrilling magic following a heroine who is both clever and uncompromising, but ultimately, has heart. A

stellar read that I thoroughly enjoyed." -- Emily Duncan, New York Times bestselling author of *Wicked Saints* A princess with a powerful and dangerous secret must find a way to save her country from ruthless invaders in this exciting debut fantasy, the first novel in a thrilling duology packed with heroism, treachery, magic, and war. Askia became heir to the Frozen Crown of Seravesh because of her devotion to her people. But her realm is facing a threat she cannot defeat by sheer will alone. The mad emperor of the Roven Empire has unleashed a horde of invading soldiers to enslave her lands. For months, her warriors have waged a valiant, stealth battle, yet they cannot stop the enemy's advancement. Running out of time, she sets sail for sun-drenched Vishir, the neighboring land to the south, to seek help from its ruler, Emperor Armaan. A young woman raised in army camps, Askia is ill-equipped to navigate Vishir's labyrinthine political games. Her every move sinks her deeper into court intrigues which bewilder and repel her, leaving her vulnerable not only to enemies gathering at Vishir's gates, but to those behind the palace walls. And in this glittering court, where secrets are worth more than gold, Askia fears that one false step will expose her true nature. For Askia is a witch gifted with magical abilities—knowledge that could destroy not only her life but her people. As her adversaries draw closer, Askia is forced to make an impossible choice—and no matter what she decides, it may not be enough to prevent Seravesh's fall. Full of magic, mystery, and romance, an enchanting steampunk fantasy debut in the bestselling vein of Trudi Canavan and Gail Carriger. Orphaned as a child, Octavia Leander was doomed to grow up on the streets until Miss Percival saved her and taught her to become a medician. Gifted with incredible powers, the young healer is about to embark on her first mission, visiting suffering cities in the far reaches of the war-scarred realm. But the airship on which she is traveling is plagued by a series of strange and disturbing occurrences, including murder, and Octavia herself is threatened. Suddenly, she is caught up in a flurry of intrigue: the dashingly attractive steward may be one of the infamous Clockwork Daggers—the Queen's spies and assassins—and her cabin-mate harbors disturbing secrets. But the danger is only beginning, for Octavia discovers that the deadly conspiracy aboard the airship may reach the crown itself. When a meteor hits the moon, teenage Miranda and her friends and family struggle to survive the unimaginable. Four gripping books that follow their ordeal are collected in this boxed set. Includes: **LIFE AS WE KNEW IT THE DEAD AND THE GONE THIS WORLD WE LIVE IN THE SHADE OF THE MOON** Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions. What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's *The Flatshare* is a feel-good novel about finding love in the most unexpected of ways. Tiffany and Leon share an apartment. Tiffany and Leon have never met. After a bad breakup, Tiffany Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare. Leon, a night shift worker, will take the apartment during the day, and Tiffany can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffany and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met. After the gasp-inducing cliffhanger ending of *The Frozen Crown*, the exciting conclusion to the epic story of Askia—a warrior, witch, and queen-to-be—as she confronts the monster that stole her throne...and is holding her prisoner to steal her magic. “Complex worldbuilding and fascinating characters propel the intricate plot to a deeply satisfying climax. Sword-and-sorcery fans won't be able to put down this gripping tale of female solidarity and triumph.” — Publishers Weekly (starred review) *The Empire of Vishir* has lost its ruler, and the fight to save Seravesh from the Roven Empire is looking bleak. Moreover, Askia has been captured by power-hungry Emperor Radovan, who plans on making her his wife simply so he can take her magic as his own, killing her in the process. Aware of his ex-wives' fates, Askia must find a means of avoiding this doom, not only for the sake of Seravesh, but now for Vishir as well. She must put both nations first and remember Ozura's advice: you must play the game in order to survive. Askia was born a soldier, but now it's time to become a spy. But it's hard to play a game where the only person who knows the rules wants to kill her. And time is a factor. The jewel Radovan has put around her neck will pull her power from her in thirty days. Worse, Vishir might not even have that long, as the two heirs to the throne are on the verge of civil war. Without any hope for help from the south, without any access to her magic,

alone in a hostile land, Askia is no closer to freeing her people than she was when she fled to Vishir. In the clutches of a madman, the only thing she's close to is death. Yet she'd trade her life for a chance to save Seravesh. The problem: she may not have that choice. The stunning finale of the epic fantasy duology from New York Times bestselling author Beth Revis. Alchemy student turned necromancer Nedra Brysstain has made a life-changing decision to embrace the darkness--but can the boy who loves her bring her back to the light before she pays the ultimate price? Lunar Island is trying to heal. The necromantic plague that ravaged the land has been eradicated, and Emperor Auguste, the young and charming leader of the Allyrian Empire, has a plan: rid the island of necromancy once and for all. Though Greggori "Grey" Astor wants what's best for his people, he knows that allying himself with Auguste threatens the one person he loves most: necromancer Nedra Brysstain. Feeling like he already failed to save Nedra once, Grey becomes determined to help the Emperor rebuild Lunar Island while still keeping Nedra safe from harm. Back at the quarantine hospital, Nedra's army of revenants are growing increasingly inhuman by the day. Wracked with guilt for imprisoning their souls, Nedra vows to discover a way to free the dead while still keeping her sister by her side. But still reeling from the trauma of the plague, the people of Lunar Island are looking for someone to blame, and Grey can only protect Nedra for so long. And when Nedra and Grey are thrust into a battle with an even more terrifying adversary, Nedra will be pushed to the darkest depths of her necromantic powers. But can Grey let her go that far? Distraught over her father's death, Zan wanders into the forest and into a fantasy world where she becomes involved in the Orathi's fight to save their homeland from invaders. Beth Johnson delivers a stunning conclusion to the Goddess in the Machine duology with this brilliant novel. Part political conspiracy, part technological thriller, its deeply emotional core deftly explores what it means to be human, and how to hold on when everything seems lost. The timeless classic *Little Women* inspired this heartwarming modern tale of four sisters from New York Times bestselling author Virginia Kantra. The March sisters—reliable Meg, independent Jo, stylish Amy, and shy Beth—have grown up to pursue their separate dreams. When Jo followed her ambitions to New York City, she never thought her career in journalism would come crashing down, leaving her struggling to stay afloat in a gig economy as a prep cook and secret food blogger. Meg appears to have the life she always planned—the handsome husband, the adorable toddlers, the house in a charming subdivision. But sometimes getting everything you’ve ever wanted isn’t all it’s cracked up to be. When their mother’s illness forces the sisters home to North Carolina for the holidays, they’ll rediscover what really matters. One thing’s for sure—they’ll need the strength of family and the power of sisterhood to remake their lives and reimagine their dreams. Don’t miss the exhilarating new novel from the author of *Fat Girl on a Plane*, featuring a fierce, bold heroine who will fight for her family and do whatever it takes to survive. Fans of Susan Beth Pfeffer’s *Life As We Knew It* series and Rick Yancey’s *The 5th Wave* series will cheer for this fast-paced, near-future thrill ride. If you’re going through hell...keep going. Seventeen-year-old coder Jinx Marshall grew up spending weekends drilling with her paranoid dad for a doomsday she’s sure will never come. She’s an expert on self-heating meal rations, Krav Maga and extracting water from a barrel cactus. Now that her parents are divorced, she’s ready to relax. Her big plans include making it to level 99 in her favorite MMORPG and spending the weekend with her new hunky stepbrother, Toby. But all that disaster training comes in handy when an explosion traps her in a burning building. Stuck leading her headstrong stepsister, MacKenna, and her precocious little brother, Charles, to safety, Jinx gets them out alive only to discover the explosion is part of a pattern of violence erupting all over the country. Even worse, Jinx’s dad stands accused of triggering the chaos. In a desperate attempt to evade paramilitary forces and vigilantes, Jinx and her siblings find Toby and make a break for Mexico. With seemingly the whole world working against them, they’ve got to get along and search for the truth about the attacks—and about each other. But if they can survive, will there be anything left worth surviving for? More than leaves are about to fall...After calling off her fall wedding, horror novelist Amy Fox is left with a broken heart, a mega case of writer's block, and a serious aversion to all things pumpkin spice. When she receives news that her grandfather has broken his wrist driving through a Dunkin Donuts--literally straight through the front windows--five hundred miles away, in her hometown of Autumnboro,

New Hampshire, Amy has no choice but to return to check on him. If she doesn't make sure that he's back on his feet, Grandpa may be moved into assisted living, and Amy's beloved childhood home will be put on the market. Knowing she must return, Amy worries about the only thing worse than pumpkin spice--a reunion with Kit Parker--her childhood best friend, first love, and entire reason for skipping town in the first place. As the two reconnect, a second chance seems possible...if only Kit weren't holding on to a secret that just might unravel everything. Set against the scenic backdrop of the White Mountains, New Hampshire, Pumpkin Everything is a small town, sweet romance, and the perfect way to kick off the fall season! A pumpkin spice latte wouldn't hurt, either. The final book in the New York Times bestselling trilogy, perfect for fans of Battlestar Galactica and Prometheus! **FUELED BY LIES. RULED BY CHAOS. ALMOST HOME.** Amy and Elder have finally left the oppressive walls of the spaceship Godspeed behind. They're ready to start life afresh—to build a home—on Centauri-Earth, the planet that Amy has traveled 25 trillion miles across the universe to experience. But this new Earth isn't the paradise Amy had been hoping for. There are giant pterodactyl-like birds, purple flowers with mind-numbing toxins, and mysterious, unexplained ruins that hold more secrets than their stone walls first let on. The biggest secret of all? Godspeed's former passengers aren't alone on this planet. And if they're going to stay, they'll have to fight. Amy and Elder must race to discover who—or what—else is out there if they are to have any hope of saving their struggling colony and building a future together. They will have to look inward to the very core of what makes them human on this, their most harrowing journey yet. Because if the colony collapses? Then everything they have sacrificed—friends, family, life on Earth—will have been for nothing. **The Nightjar** by Deborah Hewitt is a stunning contemporary fantasy debut about another London, a magical world hidden behind the bustling modern city we know. Alice Wyndham has been plagued by visions of birds her whole life...until the mysterious Crowley reveals that Alice is an 'aviarist': capable of seeing nightjars, magical birds that guard human souls. When her best friend is hit by a car, only Alice can find and save her nightjar. With Crowley's help, Alice travels to the Rookery, a hidden, magical alternate London to hone her newfound talents. But a faction intent on annihilating magic users will stop at nothing to destroy the new aviarist. And is Crowley really working with her, or against her? Alice must risk everything to save her best friend—and uncover the strange truth about herself. New York Times bestselling author Beth Revis brings to life the early adventures and heartbreaks of the heroine of the smash hit movie **Rogue One: A Star Wars Story**. When Jyn Erso was five years old, her mother was murdered and her father taken from her to serve the

Empire. But despite the loss of her parents she is not completely alone—Saw Gerrera, a man willing to go to any extremes necessary in order to resist Imperial tyranny, takes her in as his own, and gives her not only a home but all the abilities and resources she needs to become a rebel herself. Jyn dedicates herself to the cause—and the man. But fighting alongside Saw and his people brings with it danger and the question of just how far Jyn is willing to go as one of Saw's soldiers. When she faces an unthinkable betrayal that shatters her world, Jyn will have to pull the pieces of herself back together and figure out what she truly believes in...and who she can really trust. Fifty years after the Singularity, the world is divided into two populations locked in a cold war: Synthetic Citizens, or Syns, human-computer hybrids with extraordinary enhancements and potentially infinite lifespans; and Originals, the women and men who did not merge their bodies with the machines. But the decades-long battle between Original and Syn is almost at an end, because the Originals are on the verge of extinction. One of the only young Originals left in the world, Ere, knows he might someday be the very last of his kind. But when he meets a beautiful, powerful Syn girl called Ever, he questions everything he's ever been told about his lifelong enemies. Original Syn is a rich, dangerous world of family secrets, free will, forbidden love, and all of the unexpected peril that arises when aggressive technology meets stubborn humanity. In book 1 of "Time: A Trilogy," "Ten", we meet Max, Beth, and Spencer, at first as kids graduating high school and moving through college where they refine their passions. Their abilities to realize their goals result in unintended consequences. We are introduced to Maya, an intriguing character whom we only get to know from a distance. And, Max, Beth, and Spencer introduce us to their "project," Core, the first computer-based awareness. The author Hank M. Greene weaves himself into this story about the next ten years, leading one to ask, "who is Hank M. Greene?" It's friends-to-enemies-to-friends-to-lovers in this LGBTQIA+ Romance for fans of Red, White & Royal Blue and The Pros of Cons. Jasper Quigley is tired of being everyone's favorite sidekick. He wants to become the hero of his own life, but that's not going to happen if he agrees to help out his former best friend turned king of the jocks, Milo Lionetti. High school was miserable enough, thanks, and Jasper has no interest in dredging up painful memories of his old secret crush. But Milo's got nowhere else to go. His life is spiraling out of control and he's looking to turn things back around. Step one? Replace the rare Odyssey cards he lost in an idiotic bet. Step two? Tell his ex-best-friend exactly how he feels—how he's always felt. Jasper may be reluctant to reopen old wounds, but he never could resist Milo. There's a catch, though: if Milo wants his help, he's going to have to pitch in to make the upcoming children's hospital charity ball the best ever. But as the two don cosplay for the kids and hunt for rare cards, nostalgia for their lost friendship may turn into something even

more lasting... Naturally quiet since birth, Mina and her stormbeast, Pixit, lead others like themselves in defying authority and attempting to spread the truth that Alorria's idyllic weather comes at a steep cost. A smart, thrilling sci-fi adventure, perfect for fans of *Renegades* and *Aurora Rising*. When Andra wakes up, she's drowning. Not only that, but she's in a hot, dirty cave, it's the year 3102, and everyone keeps calling her Goddess. When Andra went into a cryonic sleep for a trip across the galaxy, she expected to wake up in a hundred years, not a thousand. Worst of all, the rest of the colonists--including her family and friends--are dead. They died centuries ago, and for some reason, their descendants think Andra's a deity. She knows she's nothing special, but she'll play along if it means she can figure out why she was left in stasis and how to get back to Earth. Zhade, the exiled bastard prince of Eerensed, has other plans. Four years ago, the sleeping Goddess's glass coffin disappeared from the palace, and Zhade devoted himself to finding it. Now he's hoping the Goddess will be the key to taking his rightful place on the throne--if he can get her to play her part, that is. Because if his people realize she doesn't actually have the power to save their dying planet, they'll kill her. With a vicious monarch on the throne and a city tearing apart at the seams, Zhade and Andra might never be able to unlock the mystery of her fate, let alone find a way to unseat the king, especially since Zhade hasn't exactly been forthcoming with Andra. And a thousand years from home, is there any way of knowing that Earth is better than the planet she's woken to? After the earth's power under her city is suddenly left unprotected, a young geomancer must rely on her unique magic to survive in this fresh fantasy standalone from the author of the acclaimed *The Clockwork Dagger*. In an alternate 1906, the United States and Japan have forged a powerful confederation—the Unified Pacific—in an attempt to dominate the world. Their first target is a vulnerable China. In San Francisco, headstrong secretary Ingrid Carmichael is assisting a group of powerful geomancer wardens who have no idea of the depth of her own talent—or that she is the only woman to possess such skills. When assassins kill the wardens, Ingrid and her mentor are protected by her incredible magic. But the pair is far from safe. Without its full force of guardian geomancers, the city is on the brink of a cataclysmic earthquake that will expose the earth's power to masterminds determined to control the energy for their own dark ends. The danger escalates when Chinese refugees, preparing to fight the encroaching American and Japanese forces, fracture the uneasy alliance between the Pacific allies, transforming San Francisco into a veritable powder keg. And the slightest tremor will set it off. . . . Forced on the run, Ingrid makes some shocking discoveries about herself. Her already considerable magic has grown even more fearsome . . . and she may be the fulcrum on which the balance of world power rests. Rich in atmosphere, imagination, and fun, the action-packed, magic-

filled sequel to *The Clockwork Dagger* is an enchanting steampunk fantasy, evocative of the works of Trudi Canavan and Gail Carriger. Narrowly surviving assassination and capture, Octavia Leander, a powerful magical healer, is on the run with handsome Alonzo Garrett, the *Clockwork Dagger* who forfeited his career with the Queen's secret society of spies and killers—and possibly his life—to save her. Now, they are on a dangerous quest to find safety and answers: Why is Octavia so powerful? Why does she seem to be undergoing a transformation unlike any witnessed for hundreds of years? The truth may rest with the source of her mysterious healing power—the Lady's Tree. But the tree lies somewhere in a rough, inhospitable territory known as the Waste. Eons ago, this land was made barren and uninhabitable by an evil spell, until a few hardy souls dared to return over the last century. For years, the Waste has waged a bloody battle against the royal court to win its independence—and they need Octavia's powers to succeed. Joined by unlikely allies, including a menagerie of gremlin companions, she must evade killers and *Clockwork Daggers* on a dangerous journey through a world on the brink of deadly civil war.

Four sisters face new beginnings in this heartfelt modern take on *Little Women* by New York Times bestselling author Virginia Kantra. Amy March is more like her older sister Jo than she'd like to admit. An up-and-coming designer in New York's competitive fashion industry, ambitious Amy is determined to get out of her sisters' shadows and keep her distance from their North Carolina hometown. But when Jo's wedding forces Amy home, she must face what she really wants...and confront the One Big Mistake that could upend her life and forever change her relationship with Jo.

Gentle, unassuming Beth grew up as the good girl of the family. A talented singer-songwriter, she's overcome her painful anxiety to tour with country superstar Colt Henderson. But life on the road has taken its toll on her health and their relationship. Maybe a break to attend her sister's wedding will get her out of her funk. But Beth realizes that what she's looking for and what she needs are two very different things....

With the March women reunited, this time with growing careers and families, they must once again learn to lean on one another as they juggle the changes coming their way. What would you do to bring back someone you love? After the unexpected loss of his girlfriend, a boy suffering from delusions believes he can travel through time to save her in this gripping new novel from New York Times bestselling author Beth Revis. "A story that's both heartbreaking and hopeful." —Publishers Weekly, starred review "Revis's account of grief, loss, first love, and anguish, presented through a lens of mental illness, is a must-read." —VOYA, starred review "A heartrending, beautifully complex look at mental illness, life, and loss. I tore through the pages, and, days later, this story still has a hold on me." —Alexandra Bracken, #1 New York Times bestselling author of *The Darkest Minds* series and *Passenger Seventeen*—

year-old Bo has always had delusions that he can travel through time. When he was ten, Bo claimed to have witnessed the Titanic hit an iceberg, and at fifteen, he found himself on a Civil War battlefield, horrified by the bodies surrounding him. So when his concerned parents send him to a school for troubled youth, Bo assumes he knows the truth: that he's actually attending Berkshire Academy, a school for kids who, like Bo, have "superpowers." At Berkshire, Bo falls in love with Sofia, a quiet girl with a tragic past and the superpower of invisibility. Sofia helps Bo open up in a way he never has before. In turn, Bo provides comfort to Sofia, who lost her mother and two sisters at a very young age. But even the strength of their love isn't enough to help Sofia escape her deep depression. After she commits suicide, Bo is convinced that she's not actually dead. He believes that she's stuck somewhere in time — that he somehow left her in the past, and now it's his job to save her. Not since Ned Vizzini's *It's Kind of a Funny Story* has there been such a heartrending depiction of mental illness. In her first contemporary novel, Beth Revis guides readers through the mind of a young man struggling to process his grief as he fights his way through his delusions. As Bo becomes more and more determined to save Sofia, he has to decide whether to face his demons head-on, or succumb to a psychosis that will let him be with the girl he loves. A young alchemist turns to dark magic when a deadly plague sweeps through her homeland, in this epic fantasy from New York Times bestselling author Beth Revis. Seventeen-year-old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind: master the trade of medicinal alchemy. A scholarship student matriculating with the children of Lunar Island's wealthiest and most powerful families, Nedra doesn't quite fit in with the other kids at Yugen. Until she meets Greggori "Grey" Astor. Grey is immediately taken by the brilliant and stubborn Nedra, who he notices is especially invested in her studies. And that's for a good reason: a deadly plague has been sweeping through the north, and it's making its way toward the cities. With her family's lives--and the lives of all of Lunar Island's citizens--on the line, Nedra is determined to find a cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Soon, she finds herself diving into alchemy's most dangerous corners--and when she turns to the most forbidden practice of all, necromancy, even Grey might not be able to pull her from the darkness.
