But although Satin is young and fine, she is keeping a secret that could cost St. Louis his life. From the author: The tale I'm about to run down to you is deep, so please pay

close attention. It is a tale that reflects a lot of what we go through today as being young men of color. We struggle every day trying to make ends meet, in a world that ain't got a whole lot of love for us. We do what we can when we can in hopes of a better tomorrow, that never seems to come. We do what we have to in order to get the things we need, for ourselves, as well as our loved ones. Whether you hustle, pimp, whore, or pull heist, I feel you. It's all in the name of survival. I feel you because I am you. The endangered species. The young black man. Whether this book sells one copy or one million, it is what it is, only god can dictate fate. But if I can help somebody by putting my thoughts to paper, then I've accomplished something. To those who came up under me, peep-game. To my elders, I've learned from your mistakes, so your lessons weren't wasted nor your warnings unheeded. To those who feel misunderstood or unwanted, walk with me, and know that you're not alone. To those who feel that life has only given one option, there's light at the end of every tunnel. I don't knock nobodies hustle 'cause survival is rule number one. But you gotta understand that we do have options, all we gotta do is look. I know to a lot of people, this probably sounds like some ol' bullshit, but I'm speaking from the heart. A heart just like yours. The heart of a man who has fallen time and again only to rise and continue on, so you know it's possible. Walk with me, my niggaz, as I tell you about my peoples. When three young friends, Porsha, Frankie and Sahara, decide to sublease an apartment from a mutual acquaintance, life becomes one big party for the girls. Shai Clark was an all-American basketball player with aspirations of one day making it to the NBA, but that all changed when his father was viciously murdered and he found himself thrust into the role of the new head of his family's criminal enterprise. After waging a war on the streets of New York that lasts nearly three years, it seems like peace is finally being restored to the land and Shai can get back to focusing on continuing his father's mission to legitimize the Clark family— but little does he know it was only the calm before the storm. Not everyone respects his claim to the Clark empire, and when new and old enemies start to come out of the woodwork, Shai will find that inheriting the throne was one thing, but holding onto it will prove to be a far more difficult task. Beware of the company you keep. K'wan's urban fiction coming-of-age novel, *Promise Broken*, is set in the gritty streets of Newark, New Jersey. The story follows seventeen-year-old Promise Mohammed as she attempts to uphold friendships and

new relationships—even if they lead to her demise. After Promise’s mother dies in a tragic car accident, it leaves a void in Promise’s life that she is yearning to fill. This titular novel finds Promise spiraling into a life of crime and drug affiliation by the company she chooses to keep. Also coping with abandonment and a lifelong broken commitment from her biological father, Promise ultimately has two goals: to graduate from high school and to be loved. But can she find the love that she seeks from her aunt Dell, two best friends, Mouse and Keys, or drug-dealer Asher—the man who captivates her—despite the fact that each relationship will lead to life-altering events? Only time will tell.
