Street Seen Jun 24 2022 This in-depth and generously illustrated look at six postwar photographers, along with a selection of their predecessors and contemporaries, captures a unique and pivotal moment in American photographic history. World War II and its aftermath ushered in a new era of artistic expression. Abstract Expressionism, film noir, Beat poetry, and the New Journalism are often considered responses to war's shocking realities. Creative photographers responded to the same situation with images that broke the rules of conventional photographic technique. *Street Seen*, a companion volume to an exhibition, highlights six photographers who were prominent during and immediately following the war. Lisette Model's unflinching look at the urban environment; Louis Faurer's portraits of eccentrics in Times Square; Ted Croner's haunting night images; Saul Leiter's evocative glimpses of daily life; William Klein's graphic, confrontational style; and Robert Frank's documentation of American ideals gone awry these and other beautifully reproduced photographs communicate the emotional resonance of everyday life in postwar America. An essay by Lisa Hostetler explores the aesthetic revolution that took place after the war and reveals the principles of spontaneity and subjective interpretation that guided these photographers as they sought to make sense of new realities. A timeline, brief biographies, and bibliography are also included in this valuable compilation of the mid-century's most influential photography.

[Trotsky in New York, 1917](#) Oct 29 2022 Lev Davidovich Trotsky burst onto the world stage in November 1917 as co-leader of a Marxist Revolution seizing power in

Russia. It made him one of the most recognized personalities of the Twentieth Century, a global icon of radical change. Yet just months earlier, this same Lev Trotsky was a nobody, a refugee expelled from Europe, writing obscure pamphlets and speeches, barely noticed outside a small circle of fellow travelers. Where had he come from to topple Russia and change the world? Where else? New York City. Between January and March 1917, Trotsky found refuge in the United States. America had kept itself out of the European Great War, leaving New York the freest city on earth. During his time there—just over ten weeks—Trotsky immersed himself in the local scene. He settled his family in the Bronx, edited a radical left wing tabloid in Greenwich Village, sampled the lifestyle, and plunged headlong into local politics. His clashes with leading New York socialists over the question of US entry into World War I would reshape the American left for the next fifty years.

I Used to Be Charming Aug 27 2022 Previously uncollected nonfiction pieces by Hollywood's ultimate It Girl about everything from fashion to tango to Jim Morrison and Nicholas Cage. With Eve's Hollywood Eve Babitz lit up the scene in 1974. The books that followed, among them *Slow Days*, *Fast Company* and *Sex and Rage*, have seduced generations of readers with their unfailing wit and impossible glamour. What is less well known is that Babitz was a working journalist for the better part of three decades, writing for the likes of *Rolling Stone*, *Vogue*, and *Esquire*, as well as for off-the-beaten-path periodicals like *Wet: The Magazine of Gourmet Bathing* and Francis Ford Coppola's short-lived *City*. Whether profiling Hollywood darlings, getting to the bottom of health crazes like yoga and acupuncture, remembering friends and lovers from her days hobnobbing with rock stars at the Troubadour and art stars at the Ferus Gallery, or writing about her beloved, misunderstood hometown, Los Angeles, Babitz approaches every assignment with an energy and verve that is all her own. *I Used to Be Charming* gathers nearly fifty pieces written between 1975 and 1997, including the full text of Babitz's wry book-length investigation into the pioneering lifestyle brand Fiorucci. The title essay, published here for the first time, recounts the accident that came close to killing her in 1996; it reveals an uncharacteristically vulnerable yet never less than utterly charming Babitz.

Eve's Hollywood Dec 31 2022 Journalist, party girl, bookworm, artist, muse: by the time she'd hit thirty, Eve Babitz had played all of these roles. Immortalized as the nude beauty facing down Duchamp and as one of Ed Ruscha's Five 1965 Girlfriends, Babitz's first book showed her to be a razor-sharp writer with tales of her own. *Eve's Hollywood* is an album of vivid snapshots of Southern California's haute bohemians, of outrageously beautiful high-school ingenues and enviably tattooed Chicanas, of rock stars sleeping it off at the Chateau Marmont. And though Babitz's prose might appear careening, she's in control as she takes us on a ride through an LA of perpetual delight, from a joint serving the perfect taquito, to the corner of La Brea and Sunset where we make eye contact with a roller-skating hooker, to the Watts Towers. This "daughter of the wasteland" is here to show us that her city is no wasteland at all but a glowing landscape of swaying fruit trees and blooming bougainvillea, buffeted by earthquakes and the Santa Ana winds—and every bit as seductive as she is.

Slow Days, Fast Company Feb 18 2022 No one burned hotter than Eve Babitz. Possessing skin that radiated "its own kind of moral laws," spectacular teeth, and a figure that was the stuff of legend, she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and '70s. One man proved elusive, however, and so Babitz did what she did best,

she wrote him a book. *Slow Days, Fast Company* is a full-fledged and full-bodied evocation of a bygone Southern California that far exceeds its mash-note premise. In ten sun-baked, Santa Ana wind-swept sketches, Babitz re-creates a Los Angeles of movie stars distraught over their success, socialites on three-day drug binges holed up in the Chateau Marmont, soap-opera actors worried that tomorrow's script will kill them off, Italian femmes fatales even more fatal than Babitz. And she even leaves LA now and then, spending an afternoon at the house of flawless Orange County suburbanites, a day among the grape pickers of the Central Valley, a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf. In the end it doesn't matter if Babitz ever gets the guy—she seduces us.

The Lifestyles of New Yorkers Jan 08 2021 To the best of my knowledge understandably when I first saw the New Yorkers, I was in a state of euphoria concerning the awesome lifestyles of the great people on earth. I choked out a few words the first time I interacted with them. Reading this novel will be more than ecstatic to add more time to your

Competing with Idiots Dec 27 2019 A fascinating, complex dual biography of Hollywood's most dazzling—and famous—brothers, and a dark, riveting portrait of competition, love, and enmity that ultimately undid them both. One most famous for having written Citizen Kane (with Orson Welles, as most recently portrayed in David Fincher's acclaimed Netflix film, Mank); the other, All About Eve; one, who only wrote screenplays but believed himself to be a serious playwright, slowly dying of alcoholism and disappointment; the other, a four-time Academy Award-winning director, auteur, sorcerer, and seducer of leading ladies, one of Hollywood's most literate and intelligent filmmakers. Herman Mankiewicz brought us the Marx Brothers' Monkey Business, Horse Feathers, Duck Soup, W. C. Fields's Million Dollar Legs,

wrote screenplays for Dinner at Eight, Pride of the Yankees, cowrote Citizen Kane (Pauline Kael proclaimed that the script was mostly Herman's), and eighty-nine others . . . Talented, witty (Alexander Woollcott thought him "the funniest man who ever lived,"), huge-hearted, wildly immature, a figure of renown and success. Herman went to Hollywood in 1926, was almost immediately successful (his telegram to Hecht back east: "MILLIONS ARE TO BE GRABBED OUT HERE AND YOUR ONLY COMPETITION IS IDIOTS. DON'T LET THIS GET AROUND."), becoming one of the highest-paid screenwriters in Hollywood . . . Joe, eleven years younger, focused, organized, a disciplined writer, with a far more distinguished career, surpassing his worshipped older brother . . . producing The Philadelphia Story, writing and directing A Letter to Three Wives and All About Eve, both of which won him Oscars for writing and directing (All About Eve received a record fourteen Oscar nominations), before seeing his career upended by the spectacular fiasco of Cleopatra . . . In this large, moving portrait, meticulously woven together by the grandson of Herman, great-nephew of Joe, we see the lives of these two men--their dreams and desires, their fears and feuds, struggling to free themselves from their dark past; and the driving forces that kept them bound to a system they loved and hated.

The First Love Story Dec 07 2020 An exploration of the

way Adam and Eve introduced the idea of love into the world, and how they continue to shape our deepest feelings about relationships, family, and togetherness. Since antiquity, Adam and Eve have stood at the center of every conversation about men and women. Yet instead of celebrating them, history has blamed them for bringing sin, deceit, and death into the world. In this fresh retelling of their story, Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome, discovering how Adam and Eve should be hailed as exemplars of a long-term, healthy, resilient relationship. At a time of discord and fear over the strength of our social fabric, Feiler shows how history's first couple can again be role models for unity, forgiveness, and love.

The Rise and Fall of Adam and Eve Aug 03 2020

“Endlessly illuminating and a sheer pleasure to read.”
—Jack Miles, author of *God: A Biography* Daring to take the great biblical account of human origins seriously, but without credulity. The most influential story in Western cultural history, the biblical account of Adam and Eve is now treated either as the sacred possession of the faithful or as the butt of secular jokes. Here, acclaimed scholar Stephen Greenblatt explores it with profound appreciation for its cultural and psychological power as literature. From the birth of the Hebrew Bible to the awe-inspiring contributions of Augustine, Dürer, and Milton in bringing Adam and Eve to vivid life, Greenblatt unpacks the story's many interpretations and consequences over time. Rich allegory, vicious misogyny, deep moral insight, narrow literalism, and some of the greatest triumphs of art and literature: all can be counted as children of our “first” parents.

American Eve Mar 10 2021 The scandalous story of

America's first supermodel, sex goddess, and modern celebrity—Evelyn Nesbit. By the time of her sixteenth birthday in 1900, Evelyn Nesbit was known to millions as the most photographed woman of her era, an iconic figure who set the standard for female beauty, and whose innocent sexuality was used to sell everything from chocolates to perfume. Women wanted to be her. Men just wanted her. But when Evelyn's life of fantasy became all too real and her insanely jealous millionaire husband, Harry K. Thaw, murdered her lover, New York City architect Stanford White, the most famous woman in the world became infamous as she found herself at the center of the "Crime of the Century" and a scandal that signaled the beginning of a national obsession with youth, beauty, celebrity, and sex.

Hollywood's Eve Jan 26 2020 The quintessential biography of Eve Babitz (1943–2021), the brilliant chronicler of 1960s and 70s Hollywood hedonism and one of the most original American voices of her time. "I practically snorted this book, stayed up all night with it. Anolik decodes, ruptures, and ultimately intensifies Eve's singular irresistible glitz." —Jia Tolentino, *The New Yorker* "The Eve Babitz book I've been waiting for. What emerges isn't just a portrait of a writer, but also of Los Angeles: sprawling, melancholic, and glamorous." —Stephanie Danler, author of *Sweetbitter Los Angeles in the 1960s and 70s* was the pop culture capital of the world—a movie factory, a music factory, a dream factory. Eve Babitz was the ultimate factory girl, a pure product of LA. The goddaughter of Igor Stravinsky and a graduate of Hollywood High, Babitz, age twenty, posed for a photograph with French artist Marcel Duchamp in 1963. They were seated at a chess board, deep in a game. She was naked; he was not. The picture, cheesecake with a Dadaist twist, made her an instant icon of art and sex. She spent the rest of the decade on the Sunset Strip, rocking and rolling, and honing her notoriety. There

were the album covers she designed: for Buffalo Springfield and the Byrds, to name but a few. There were the men she seduced: Jim Morrison, Ed Ruscha, Harrison Ford, to name but a very few. Then, at nearly thirty, her It girl days numbered, Babitz was discovered—as a writer—by Joan Didion. She would go on to produce seven books, usually billed as novels or short story collections, always autobiographies and confessionals. Her prose achieved that American ideal: art that stayed loose, maintained its cool; art so sheerly enjoyable as to be mistaken for simple entertainment. Yet somehow the world wasn't paying attention. Babitz languished. It was almost twenty years after her last book was published, and only a few years before her death in 2021 that Babitz became a literary star, recognized as not just an essential L.A. writer, but the essential. This late-blooming vogue bloomed, in large part, because of a magazine profile by Lili Anolik, who, in 2010, began obsessively pursuing Babitz, a recluse since burning herself up in a fire in the 90s. Anolik's elegant and provocative book is equal parts biography and detective story. It is also on dangerously intimate terms with its subject: artist, writer, muse, and one-woman zeitgeist, Eve Babitz. "A dazzling, gossip-filled biography of the wayward genius who knew everyone in Seventies LA." —The Telegraph (UK)

When a monster named Isaac McQueen—taken down by Eve back in her uniform days—escapes from Rikers, he has two things in mind. One is to take up where he left off, abducting young victims and leaving them scarred in both mind and body. The other is to get revenge on the woman who stopped him all those years
