From Brooklyn to the island of Jamaica, Tea by the Sea traces a mother's circuitous route to find the daughter taken from her at birth. From acclaimed author Donna Cooner comes this

gripping and timely story about identity, revenge, and the lies -- and truths -- we tell online. A steamy romantic comedy about good timing, bad temptation, and way too much tequila. Seb's the most famous baseball player in the world. Sophie's not impressed. Game on.

Sophie When we graduated from college, my friends and I made a pact that we would only play this stupid game five more times--at each of our bachelorette parties. Tonight's number four and it couldn't come at a worse time. I have a meeting with a new client tomorrow. I can't be hungover. Unfortunately, I've never played this game without ending up that way. I'm already at a disadvantage with the client. It's the professional baseball team in town. I'm not much of a sports fan. I don't even know who the players are, but I guess I'll worry about that tomorrow. Tonight, it seems that, once again, I'm destined for tequila and bad decisions.

Seb Don't get me wrong, I like being a professional athlete. I just wish it didn't come with so much fame. People are always staring at me and tonight's no exception. All eyes are on me as I walk into the bar--except for one pair. And they're attached to a gorgeous woman. When she finally looks up from her phone, she catches me ogling her and rolls her eyes. I don't think she has any idea who I am. Damn, that turns me on. I spend most of the night trying to figure out how to talk to her when suddenly she lands in my lap. She's playing a drinking game with her friends and has to get me to kiss her to win. I want to kiss her--passionately--but not when she's this flat-out drunk. I'd at least like her to remember our first kiss.

The Next Day Sophie I'm painfully hungover. All I want to do is

get done with this meeting, so I can go home and have my friends tell me about the guy I tried to drunkenly seduce last night. All I remember are his eyes--his soft, beautiful eyes. I'm on the field with my new client watching the players practice when the catcher jumps up from behind the plate and starts walking toward me. When he pulls up his mask, the eyes I've been thinking about all morning are staring at me. "Sophie?" he says as a smile starts curling at the corners of his mouth. Truth or Tequila can be read as a standalone novel or as book one of The Grand Slam Series. "Wow, wow, wow...So funny, so hot, and so sweet, all in one book. Seb and Sophie are the perfect match. I read it in one sitting." Reader Review "I read this author's Trident Trilogy. I loved those books. I was excited to see what she came up with next. Truth or Tequila is just what I wanted--funny, sexy, satisfying." Reader Review "I want to play Truth or Tequila with my friends! Hilarious scene and just a really sassy, funny book overall." Reader Review From the author of Words In The Dust and Divided We Fall: A heartwarming book about a son reconnecting with the father he lost in Afghanistan. Mike was seven when his father was killed in mysterious circumstances in Afghanistan. Eight years later, the family still hasn't recovered: Mike's mom is overworked and overprotective; his younger sister Mary feels no connection to the father she barely remembers; and in his quest to be "the man of the family," Mike knows he's missing out on everyday high school life. Then, out of the blue, Mike receives a letter from his father - the first of a series Dad wrote in Afghanistan, just in case he didn't come home, meant to share

some wisdom with his son on the eve of Mike's 16th birthday. As the letters come in, Mike revels in spending time with his dad again, and takes his encouragement to try new things - to go out for the football team, and ask out the beautiful Isma. But who's been keeping the letters all these years? And how did Dad actually die? As the answers to these mysteries are revealed, Mike and his family find a way to heal and move forward at last. When she reluctantly accepts protection from Tristan, the newest Dragon King, pub owner Sammi Miller, who is on the run from the mob, vows not to get too close to him, but she is unable to resist the passion between them. An unforgettable novel, based on a true story, about racism against Italian Americans in the South in 1899. Fourteen-year-old Calogero, his uncles, and his cousins are six Sicilians living in the small town of Tallulah, Louisiana, miles from any of their countrymen. They grow vegetables and sell them at their stand and in their grocery store. Some people welcome the immigrants; most do not. Calogero's family is caught in the middle of tensions between the black and white communities. As Calogero struggles to adapt to Tallulah, he is startled and thrilled by the danger of midnight gator hunts in the bayou and by his powerful feelings for Patricia, a sharp-witted, sweet-natured black girl. Meanwhile, every day, and every misunderstanding between the white community and the Sicilians, bring Calogero and his family closer to a terrifying, violent confrontation. In this affecting and unforgettable novel, Donna Jo Napoli's inspired research and spare, beautiful language take the classic immigrant story to new levels of emotion and

searing truth. Alligator Bayou tells a story that all Americans should know. There's no hiding in the spotlight. Torrey Grey is famous – at least, she is on the internet. Thousands of people watch her beauty vlog for tips on how to be popular and pretty. But when Torrey's sister is killed in an accident her world implodes, especially as she feels partly to blame. And that's when the trolling starts . . . How can Torrey mourn her sister in private, when her bubbly public persona is all over the web? Then she meets Luis, whose family owns the local funeral home, and he challenges all that Torrey thought she knew about love, life, and loss. This first biography of Donna Reed also contains the first extended discussion of her television show. The personal richness that Reed brought to her television role has been filtered out in the caricature perpetuated by pop critics. In the media "Donna Reed" is Donna Stone distorted as a female-manque who wears pearls and high heels around the house. But Donna Reed's long hold on viewers depends on irreducible qualities that have nothing to do with this fixed image, as Fultz suggests. He follows her development from Iowa farm girl to apprentice in Hollywood to mature juggler of the demands of family and career to antiwar activist. Drawing on Reed's letters and on interviews, Fultz looks for what was real in a very private person without discarding what is romantic in any pursuit of a public one. He shows why the rich and principled life of Donna Reed matters in this more cynical time. Torrey Grey is famous. At least, on the internet. Thousands of people watch her popular videos on fashion and beauty. But when Torrey's sister is killed in an accident --

maybe because of Torrey and her videos -- Torrey's perfect world implodes. Now, strangers online are bashing Torrey. And at her new school, she doesn't know who to trust. Is queen bee Blair only being sweet because of Torrey's internet infamy? What about Raylene, who is decidedly unpopular, but seems accepts Torrey for who she is? And then there's Luis, with his brooding dark eyes, whose family runs the local funeral home. Torrey finds herself drawn to Luis, and his fascinating stories about El Dia de los Muertos, the Day of the Dead. As the Day of the Dead draws near, Torrey will have to really look at her own feelings about death, and life, and everything in between. Can she learn to mourn her sister out of the public eye? Once again, Donna Cooner (Skinny, Can't Look Away) taps into the zeitgeist to bring us a searing story about the internet, superficiality, and the dangerous power of being anonymous online. Bound to a life of servitude as a young girl in ancient China, where the life of a woman is valued less than that of livestock. Bound to be

alone and unmarried, with no parents to arrange for a suitable husband. Dubbed "Lazy One" by her stepmother, Xing Xing spends her days taking care of her half sister, Wei Ping, who cannot walk because of her foot bindings, the painful but compulsory tradition for girls who are fit to be married. Even so, Xing Xing is content, for now, to practice her gift for poetry and calligraphy, to tend to the mysterious but beautiful carp in her garden, and to dream of a life unbound by the laws of family and society. But all of this is about to change as the time for the village's annual festival draws near, and Stepmother, who has spent nearly all of the family's money, grows desperate to find a husband for Wei Ping. Xing Xing soon realizes that this greed and desperation may threaten not only her memories of the past, but also her dreams for the future. In this searing story, Donna Jo Napoli, acclaimed author of *Beast and Breath*, delves into the roots of the Cinderella myth and unearths a tale as powerful as it is familiar. "A unique and compelling novel from a master storyteller." —School Library Journal, starred review

Times bestsellers and Audie Award finalists *The Christmas Shoes* and *The Christmas Blessing* have become inspirational holiday classics, and *THE CHRISTMAS HOPE* is poised to become a seasonal favorite in its own right. Patricia and Mark Addison have long given up the hope of having a meaningful Christmas. But this year, Patricia's job as a social worker will lead her to a very special five-year-old. Against her better judgment, Patricia bends the rules and takes the little girl to her own home. Through the presence of Emily in their house, and her penetrating questions about heaven, the Addisons learn that there is no sorrow so great that faith cannot help you find your way through. And Christmas will once more be a time of joy in their home. *THE CHRISTMAS HOPE* is a story of love in the face of loss, joy when all seems hopeless, and how light can shine into the darkest places. Set in Jamaica and New York, this acclaimed first novel explores the ties that bind mother to child and weaves a mesmerizing tale of promises broken and dreams deferred. In this full-length novel from the New York Times Bestselling author of *The Christmas Hope* series Donna VanLiere has written a beautifully rendered and poignant story about one woman's unlikely path to motherhood and the healing power of love. Tennessee, 1950: Still single and in her early thirties, Ivorie Walker is considered an old maid; a label she takes with good humor and a grain of salt. But when her mother dies, leaving her to live alone in the house she grew up in, to work the farm she was raised to take care of, she finds herself lost in a kind of loneliness she hadn't expected. After years of rebuffing the advances of imperfect, yet

eligible bachelors from her small town, Ivorie is without companionship with more love in her heart and time on her hands than she knows what to do with. But her life soon changes when a feral, dirty-faced boy who has been sneaking onto her land to steal from her garden comes into her life. Even though he runs back into the hills as quickly as he arrives, she's determined to find out who he is because something about the young boy haunts her. What would make him desperate enough to steal and eat from her garden? But what she can't imagine is what the boy faces, each day and night, in the filthy lean-to hut miles up in the hills. Who is he? How did he come to live in the hills? Where did he come from? And, more importantly, can she save him? As Ivorie steps out of her comfort zone to uncover the answers, she unleashes a firestorm in the town—a community that would rather let secrets stay that way. This pitch perfect story of redemption and the true meaning of familial love is Donna VanLiere at her very best. "A captivating romance novel with a sexy cowboy making this perfect for anyone who loves a steamy romantic read."—*Fresh Fiction on My Favorite Cowboy Sexting*. *Cyberbullying*. Narcissism. People-and especially the media-are consumed by fears about the effect of social media on young people. We hear constantly about the dangers that lurk online, and

about young people's seemingly pathological desire to share anything and everything about themselves with the entire world. Donna Freitas has traveled the country, talking to college students about what's really happening on social media. What she finds is that, while we focus on the problems that make headlines, we are ignoring the seemingly mundane, but much more widespread, problems that occur every day. Young people, she shows, feel enormous pressure to look happy all the time-and not just basically content, but blissful, ecstatic, inspiring and successful in their personal, professional, and academic lives-regardless of how they actually feel. Of course, these young adults are not that happy, at least not all of the time, and the constant exposure to the seemingly perfect lives of other people on social media only makes them feel worse. What's more, far from wanting to share everything about themselves, they are terrified of sharing something that will come back to haunt them later in life. The rise of social media has brought about a dramatic cultural shift: the need to curate a perfect identity online that often has little to do with reality. The consequences, Freitas shows, can be very real. Drawing on an online survey and in-person interviews with students from thirteen campuses around the U.S, Freitas offers a window into the social media generation and how they use Facebook, Snapchat, and Twitter, and other online platforms. She presents fascinating insights about how these people are consciously creating alternate identities for themselves, while also suffering from the belief that the other people they encounter online really are as perfect as their profiles appear. This

is an eye-opening look at the real world of social media today The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of Dickens" (*The New York Times Book Review*), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent. Few writers evoke the complexities of the heart and the gritty fascination of the American South as vividly as Donna Everhart, whose lyrical new novel, set against the background of the Great Depression, is a powerful story of courage, survival, and friendship . . . In the dense pine forests of North Carolina, turpentiners labor, hacking into tree trunks to draw out the sticky sap that gives the Tar Heel State its nickname, and hauling the resin to stills to be refined. Among them is Rae Lynn Cobb and her husband, Warren, who run a small turpentine farm together. Though the work is hard and often dangerous, Rae Lynn, who

spent her childhood in an orphanage, is thankful for it—and for her kind if careless husband. When Warren falls victim to his own negligence, Rae Lynn undertakes a desperate act of mercy. To keep herself from jail, she disguises herself as a man named “Ray” and heads to the only place she can think of that might offer anonymity—a turpentine camp in Georgia named Swallow Hill. Swallow Hill is no easy haven. The camp is isolated and squalid, and commissary owner Otis Riddle takes out his frustrations on his browbeaten wife, Cornelia. Although Rae Lynn works tirelessly, she becomes a target for Crow, the ever-watchful woods rider who checks each laborer’s tally. Delwood Reese, who’s come to Swallow Hill hoping for his own redemption, offers “Ray” a small measure of protection, and is determined to improve their conditions. As Rae Lynn forges a deeper friendship with both Del and Cornelia, she begins to envision a path out of the camp. But she will have to come to terms with her past, with all its pain and beauty, before she can open herself to a new life and seize the chance to begin again. But after they leave Port-au-Prince, Haiti, Fabiola’s mother is detained by U.S. immigration, leaving Fabiola to navigate her loud American cousins, Chantal, Donna, and Princess; the grittiness of Detroit’s west side; a new school; and a surprising romance, all on her own. Just as she finds her footing in this strange new world, a dangerous proposition presents itself, and Fabiola soon realizes that freedom comes at a cost. Trapped at the crossroads of an impossible choice, will she pay the price for the American dream? We are launching our exciting new Point Paperbacks imprint with this novel from acclaimed author Donna Cooner, about the way we live our lives -- and lies -- on social media. Skye's social media game is always on point. Until her best friend, Asha, films an embarrassing video of Skye at a sleepover and posts it online. But Asha quickly deletes the post, so everything's okay. Right? Then Skye gets an anonymous message. Someone has texted her a screenshot from the video. This person threatens to share the shocking photo online . . . unless Skye does whatever they say. Skye's perfect image -- and

privacy -- are suddenly in jeopardy. What will Skye do to keep the screenshot under wraps? And who is trying to ruin her life? The acclaimed author of *The Moonshiner's Daughter* brings to life an unforgettable young heroine and a moving story of family love tested to its limits. For twelve-year-old Martha "Sonny" Creech, there is no place more beautiful than her family's cotton farm. She, her two brothers, and her parents work hard on their land—hoeing, planting, picking—but only Sonny loves the rich, dark earth the way her father does. When a tragic accident claims his life, her stricken family struggles to fend off ruin—until their rich, reclusive neighbor offers to help finance that year's cotton crop. Sonny is dismayed when her mama accepts Frank Fowler's offer; even more so when Sonny's best friend, Daniel, points out that the man has ulterior motives. Sonny has a talent for divining water—an ability she shared with her father and earns her the hated nickname "water witch" in school. But uncanny as that skill may be, it won't be enough to offset Mr. Fowler's disturbing influence in her world. Even her bond with Daniel begins to collapse under the weight of Mr. Fowler's bigoted taunts. Though she tries to bury her misgivings for the sake of her mama's happiness, Sonny doesn't need a willow branch to divine that a reckoning is coming, bringing with it heartache, violence—and perhaps, a fitting and surprising measure of justice. "Reminiscent of the novels of Lee Smith, Kaye Gibbons, and Sandra Dallas, Everhart builds a firm sense of place, portraying the tiredness and hope of a dry Southern summer and voicing strong women." —Booklist "A diverse cast and layered
