With two kinds of magick at odds inside her and two gorgeous men vying for her attention, Tammy Jo Trask is used to being pulled in opposite directions. But in the latest Southern Witch novel she'll have to make some serious decisions—like how she intends to stay alive. Tammy Jo's romance with the wizard Bryn Lyons is on hold while her ex-husband is in town trying to remind her of the good old days. Choosing between them isn't easy, and it doesn't help that a skeletal creature is spying on her, a faery knight is hunting her, and she just made friends with Evangeline Rhodes—a rich witch who thinks her own family is trying to kill her. When Evangeline disappears under suspicious circumstances, Tammy Jo is determined to find out what happened. As she uncovers a secret more dangerous—and personal—than she could have imagined, she also discovers that, in both love and magic, you can't stay neutral forever. Violence in South Africa contains contributions on various issues related to violence in South Africa. The variety of perspectives, explanations and intervention strategies indicates that violence, its causes and prevention are diverse and complex matters. Hence a single perspective or universal explanation cannot properly explain the phenomenon. Factors related to the micro- and macro-levels, as well as the interaction between these levels, should be considered. The contributions consequently do not deal only with violence of a structural, collective or political nature, but also the far more prevalent forms of interpersonal and small group-violence. Here we have a collection of unnerving tales of events that happened--and still do happen--in the collective back yard of the Deep South states. Accompanied by evocative illustrations, these compelling retellings of 40 popular folktales feature supernatural occurrences and ghosts of all sorts, from fiddling ghosts to the story of the Jack o'Lantern. Whether read around the fire on a dark and stormy night or in the backseat of the family van on the way to Grandma's, each expertly told tale is guaranteed to make readers look at the South--and over their shoulders--again and again. They say what happens in Vegas, stays in Vegas. But for Kaden Cartwright, somehow what happens in Vegas has a way of winding him up in a Salem Witch Trial. Discovering that he possesses a "sick-sense," as he calls it, that enables him to alter and control anyone's body and its functions, Kaden uses these talents to become a successful doctor and highly sought after diagnostician. After being pulled over by the Las Vegas police, he immediately senses that something is also different about the beautiful blonde officer ticketing him. Unlike in times past in his effort to get out of the citation, he realizes his powers are not working on her. And it's all downhill from there. This chance encounter catapults him into a dangerous chasm of the occult. He faces everything from vampires and werewolves to organized crime! Discover why Las Vegas is really called Sin City and how everything goes back to the Witch's Curse! In this thrilling installment of the award-winning series, The Harwood Mysteries, Xan is living in Lincoln as a merchant's apprentice to his uncle. But all is not well. Uncle William's business partner has become deathly ill after he angered a mysterious, scarred woman in the marketplace. Nigel, the reckless nephew of William's business partner, has put them in danger by befriending an enemy of the King. Why is there a band of brutes lurking near Uncle William's shop? Does the disfigured woman in the marketplace really have power over life and death? Will Nigel stop his dealings with a known traitor? Afflicted with dysfunctional magical powers, Tammy Jo Trask enlists the aid of Bryn Lyons, one of the wealthiest, most charming, and magically gifted people in small-town Duval, Texas, when her locket containing the soul of a family ghost is stolen. Young witch Eva Evergreen embarks on a journey to find the source of the powerful, magical storm known as the Culling and put an end to it once and for all. "A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar."—Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, The Once and Future Witches reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for The Once and Future Witches: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djèlí Clark, author The Black God's Drum For more from Alix E. Harrow, check out The Ten Thousand Doors of January. When a boyfriend from Sandra's past hires the Porter Agency to investigate a haunted firehouse, Max and Drummond know there's going to be trouble. Yet nobody is prepared for the twisted path they embark on. A path that takes them into a harrowing murder, a botched curse, and the rumblings of a witch war. But after Sandra's life is placed in jeopardy, Max throws off the gloves. To save her, he's ready to take on the toughest witches in all of North Carolina if he must - nothing will stop him when his love is on the line. Join Max, Sandra, Drummond and the rest of the gang as they battle witches, ghosts, curses, and more in another exciting paranormal mystery. To most people, it appears as if Derek James is a typical college freshman. Yes, he is on a football scholarship at one of the most prestigious universities in the country, but other than that, he appears quite ordinary. But there is an extraordinary secret that Derek is harboring: he is a warlock! When he runs into fellow freshmen Matthias, Omar, and Tre'Veil, he is surprised to learn that they are also warlocks! Shortly after they all meet, however, the freshmen start getting attacked by terrifying monsters. Now, the four fast friends must overcome doubts and disagreements in order to discover the source of the attacks. But it may go deeper than any of them realize. Gabriel is about to go on a Christmas Eve adventure that he'll never forget. An old New England town legend has come to life and now Gabriel and his best friend have just one night to rescue something very precious to him. After a toxic spill of pixie dust unites the worlds of humans and faeries, bumbling witch Tammy Jo Trask must pass an impossible, mandatory magic test to avoid deadly consequences and rescue her town. From the national bestselling author of Slightly Spellbound comes the latest Southern Witch novel featuring Tammy Jo Trask. Tammy Jo rarely sets a toe outside Texas, but when she learns her mother is in trouble, Tammy is determined to save her—even if it means going to hell and back... Fresh off her engagement to wizard Bryn Lyons, Tammy Jo is surprised to make another new family connection when she meets the twin sister she never knew she had. After being spirited away to the fae kingdom of Never as an infant, Kismet has finally escaped, and arrived in Duvall, Texas, with some terrible news: their mother, Marlee, is a prisoner of the Seelie fae. Crossing the ocean to

battle the fae isn't Tammy Jo's idea of a romantic getaway, but Bryn refuses to let her go alone—as do her aunt Edie and her ex-husband Zach. Unfortunately, their plot to free Marlee is foiled when they are caught by the fae queen. And the only chance the queen gives them to save Marlee's life may be an impossible quest... Paige Crutcher, author of the "mystical, magical, and wildly original"* *The Orphan Witch*, weaves a spellbinding tale of contemporary fantasy, romance, and Irish mythology as a woman torn out of time faces a dangerous coven, otherworldly creatures, and a seductive demi-god to save the souls of a cursed island in *The Lost Witch*. 1922. The town of Evermore off the coast of Ireland is under the protection of a Goddess. She has bestowed power upon village healer Brigid Heron to ensure the heart of magic within the Lough of Brionglóid—the lake of dreams—remains untouched. For the witches of Knight want to absorb its powerful energies and release the Damned from the Otherworld. Brigid has devoted her whole life to being Evermore's guardian, immersing herself in witchcraft, and sacrificing her own dreams. Until Luc Knightly, a trickster god with his own claim on the lough, offers Brigid her heart's desire in exchange for betraying her Goddess's trust. 2022. A century later, Evermore is under siege. The witches of Knight wield chaos magic, opening the rift between the island and the Otherworld wider every day. Beings born from folklore nightmares prey on the villagers, consuming their very humanity. Ophelia Gallagher, Brigid's descendent, and her fellow witch Finola McEntire do their best to keep the monsters and mayhem at bay. Brigid awakens in this world with no memory of how she traveled into the future, and why Evermore has been cursed. To seal the lough and stop the witches of Knight, she must work with Ophelia and Finola to help her remember the events of a hundred years ago. But the knowledge she seeks lies with Luc Knightly himself—mysterious, handsome, and powerful—and the one who once upon a time granted Brigid her dearest wish—a daughter. To save Evermore, Brigid may have to lose her daughter—again... *Southern Cunning* is a journey through the folklore of the American South and a look at the power these stories hold for modern witches. Through the lens of folklore, animism, and bioregionalism the book shows how to bring rituals in folklore into the modern day and presents a uniquely American approach to witchcraft born out of the land and practical application. There's no place like home. Unless someone lands there in a balloon and the curses start flying. No one in Oz remembers the Fisher King. The First Sentinels made sure of that. There are four of us. North, South, East, and West. I am Glinda, Sentinel of the South. We are all trying to figure out what to do about this Wizard who just landed here in a balloon, disposed of our king, and inserted himself as king of Oz while dealing with the ailing Sentinel in the North when the unthinkable happens. The same forgetting curse the first Sentinels used to make everyone forget the Fisher King is cast again. Except now, we are no longer Sentinels. I'm the Good Witch of the South, Azami is the Wicked Witch of the West, Adora is the Wicked Witch of the East, and Locasta is the Good Witch of the North. Two Sentinels had to have cast that spell. I know Azami and Adora didn't do it, or they wouldn't have gotten the short end of the stick. I know I didn't do it. That leaves poor addled Locasta. Maybe she isn't as cursed and soft as we all thought. But who helped her? Can I restore the Sentinels before Oz tears itself and my friends apart? *Duvall, Texas*. A small town that's about to be in some big trouble. Tammy Jo Trask is finally ready to embrace her mixed-up magic, but not everyone in town is what you'd call supportive. While a scripture-spouting posse is organized to kidnap her and "save" Duvall from witchcraft, the president of WAM—the World Association of Magic—arrives to investigate Tammy's entanglement with the off-limits and drop-dead gorgeous wizard Bryn Lyons. But when a clash between the locals and the magical visitors leads to a series of unnatural disasters, Tammy Jo will have to hope that her magical synergy with Bryn is enough to save the town from certain doom. *Duvall, Texas*. A small town that's about to be in some big trouble. Tammy Jo Trask is finally ready to embrace her mixed-up magic, but not everyone in town is what you'd call supportive. While a scripture-spouting posse is organized to kidnap her and "save" Duvall from witchcraft, the president of WAM—the World Association of Magic—arrives to investigate Tammy's entanglement with the off-limits and drop-dead gorgeous wizard Bryn Lyons. But when a clash between the locals and the magical visitors leads to a series of unnatural disasters, Tammy Jo will have to hope that her magical synergy with Bryn is enough to save the town from certain doom. *The Dictionary of Southern Appalachian English* is a revised and expanded edition of the Weatherford Award-winning *Dictionary of Smoky Mountain English*, published in 2005 and known in Appalachian studies circles as the most comprehensive reference work dedicated to Appalachian vernacular and linguistic practice. Editors Michael B. Montgomery and Jennifer K. N. Heinmiller document the variety of English used in parts of eight states, ranging from West Virginia to Georgia—an expansion of the first edition's geography, which was limited primarily to North Carolina and Tennessee—and include over 10,000 entries drawn from over 2,200 sources. The entries include approximately 35,000 citations to provide the reader with historical context, meaning, and usage. Around 1,600 of those examples are from letters written by Civil War soldiers and their family members, and another 4,000 are taken from regional oral history recordings. Decades in the making, the *Dictionary of Southern Appalachian English* surpasses the original by thousands of entries. There is no work of this magnitude available that so completely illustrates the rich language of the Smoky Mountains and Southern Appalachia. *Shifters and witches don't mix*. At least that's what Talia Lear was raised to believe. It's not just that her family's coven disapproves, but she's bound by an ancient blood curse that forbids her from so much as looking at a shifter. But look at one she does. When Talia meets sexy, Alpha bear Rafe, he stirs a powerful magic inside of her and a passion she can't deny. Clan chief, Rafe McCormack needs answers. Fast. When the bears of Wild Ridge start suffering from a deadly illness, Rafe suspects witchcraft. Time is running out and he's got none to spare messing with Talia. But, this beautiful young witch has long legs and a smart mouth Rafe just wants to kiss. With his clan's survival on the line, it'll take every ounce of self-control and cunning Rafe has to come out on top. Acting on their desires could spell disaster for both Rafe and Talia. But sometimes fate has other plans. *Reader's Note*: Each book in the *Wild Ridge Bears* series is a full length, standalone, cliffhanger free, super sexy, bear shifter romance with a guaranteed happily ever after. You can read them in any order but the scorching hot events within each are interconnected and happen chronologically. These bears are hot, dominant, and fiercely protective of their mates. Their women are just as strong and like to misbehave. Come along and enjoy the ride! *Book Themes*: Bear shifter romance, werebears, werewolves, magic and occult, witches and witchcraft, fated mates, star crossed lovers, soulmates, strong female character, alpha male, bad boy 'Before there was James Bond, there was Gregory Sallust.' Tina Rosenberg, *Salon.com* *The White Witch of the South Seas* is the eleventh in Dennis Wheatley's bestselling Gregory Sallust series featuring the debonair spy Gregory Sallust, a forerunner to Ian Fleming's James Bond. A spellbinding story of adventure and intrigue told in the true Wheatley tradition, featuring Gregory Sallust who, when visiting Rio de Janeiro, becomes drawn into perilous action. Circumstance leads to him becoming the friend of a young South Seas Rajah, Ratu James Omboluku, there to secure finance to recover treasure from a sunken ship lying off the island he rules; and he intends to use this treasure for the betterment of his people. But others, led by the unscrupulous Pierre Lacost, are also planning to recover the treasure, and it is not long before Gregory, having an affair with the passionate Manon de Bois-Tracy, finds himself surrounded by murder, magic, blackmail, kidnapping and some of the most ruthless thugs he has ever encountered. Set in the same world as Faith Hunter's *New York Times* bestselling *Jane Yellowrock* novels, the second *Soulwood* novel tells the story of a woman whose power comes from deep within the earth... Before Nell Ingram met skinwalker Jane Yellowrock, she had no one to rely on, finding strength only in her arcane connection to the dark woods around her. But now she has friends in the newly formed PsyLED team to keep her grounded—even if being part of the agency responsible for policing paranormals comes with dangers of its own.... After training at the PsyLED academy, Nell returns home to her woods to find the land feeling sick and restless. And that sickness is spreading. With the help of her team, under the leadership of agent Rick LaFleur, Nell tries to determine the cause. But nothing can prepare them for the evil that awaits: an entity that feeds on death itself. And it wants more.... The finale to the saga of *The House on South Street*. Protective forces are gathered for a final struggle to seal the veil between the realms of the living and the dead. A witch's banishment to eternal damnation is the goal of the unlikely warriors. (Revenge cannot soothe the loss of loved ones, but it is a necessary instrument.) The funeral pyre, as the result of that struggle, of the once great Victorian house, is the sad conclusion. Sophia Jones lived a normal teenage life, getting by at school with average grades, and living with her single mother. She thought everything about her was average...until one day she discovers that her mother has been keeping her true identity secret for her whole life. Tossed into a world of Magick and Witchcraft, she struggles to learn about her dark ancestors, unaware of another dark force lurking in the shadows. How did it all begin? Well, perhaps the new boys at school are not who they seem... As the last heiress of the House of North, Alissa knows that striking up a secret friendship with a half-vampire enforcer is dangerous, but Merrick is a temptation she can't resist. But when Alissa is kidnapped, Merrick proves that he will do anything to protect the woman who tempts him with her very existence. *OLD PASSIONS, NEW ENEMIES* Max thought he had

enough trouble dealing with one witch in Winston-Salem. But a new case brings to light an entire coven of witches. Angry, cursed, dead witches. Lucky for Max he has the aid of his partner, the ghost of 1940s detective Marshall Drummond, and his sharp-witted wife, Sandra. Together, they'll face enemies at every turn, and things only get worse when the mysterious Hull family and the FBI start poking into Max's life. He'll need all his team can give with a case that involves the theft of a cursed bell, dark magic, spirit possession, and ghastly murders. All in all, just another day at the office for Max Porter. The dead should stay dead... unless they were alive to begin with. Life for Pepper Dunn is just beginning to slow down in the magical town of Magnolia Cove, Alabama, when her Uncle Donovan, who is supposed to be deceased, appears on her doorstep very much alive. Turns out Uncle Donovan faked his death to avoid the werewolf mafia, a dangerous group who will stop at nothing to get their hands on him. But when a hit on Donovan goes wrong and someone else winds up murdered, it's up to Pepper and her boyfriend Axel to find the killer before another life is taken. Can she do it? Or will Pepper be next in line to face off against a killer? Old Power, New Corruption Max Porter has had his share of odd cases. That goes with the territory when one of your partners is the ghost of a 1940s detective. But the idea of being hired by a witch coven to save witches seems wrong from the start, and it only gets worse. Bad enough that Max can't trust anything his clients say, but his own wife is being lured closer into becoming a real witch - something that terrifies Max and sows distrust. Add to that a mysterious group of witch hunters, a long dead curse brought back to cause havoc, and power players in the shadows, and it's no wonder The Porter Agency is stretched to the breaking point. Between fighting their enemies and fighting each other, this may end up the toughest case of their lives. One that could alter the balance of power among all witches for years to come. "It's dark magic brings him back." Tori Burns and her family left D.C. for claustrophobic Chaptico, Maryland, after suddenly inheriting a house under mysterious circumstances. That inheritance puts her at odds with the entire town, especially Jesse Slaughter and his family—it's their generations-old land the Burns have "stolen." As the suspicious looks and muttered accusations of her neighbors build, so does the pressure inside her, and Tori returns to the pattern of self-harm that landed her in a hospital back in D.C. It all comes to a head one night when, to Tori's shock, she witnesses a young man claw his way out of a grave under the gnarled oak in her new backyard. Nathaniel Bishop may not understand what brought him back, but it's clear to Tori that he hates the Slaughters for what they did to him centuries ago. Wary yet drawn to him by a shared sense of loss, she gives him shelter. But in the wake of his arrival comes a string of troubling events—including the disappearance of Jesse Slaughter's cousin—that seem to point back to Nathaniel. As Tori digs for the truth—and slowly begins to fall for Nathaniel—she uncovers something much darker in the tangled branches of the Slaughter family tree. In order to break the curse that binds Nathaniel there and discover the true nature of her inheritance, Tori must unravel the Slaughter family's oldest and most guarded secrets. But the Slaughters want to keep them buried... at any cost. To most people, it appears as if Derek James is a typical college freshman. Yes, he is on a football scholarship at one of the most prestigious universities in the country, but other than that, he appears quite ordinary. But there is an extraordinary secret that Derek is harboring: he is a warlock! When he runs into fellow freshmen Matthias, Omar, and Tre'Veil, he is surprised to learn that they are also warlocks! Shortly after they all meet, however, the freshmen start getting attacked by terrifying monsters. Now, the four fast friends must overcome doubts and disagreements in order to discover the source of the attacks. But it may go deeper than any of them realize. The Desert Cursed Series should be read by people who can root for an underdog, have a good sense of humor, a love for high-paced action, and a taste for a blend of magic that even a Muggle could love. With over half a million copies sold, when you indulge in the Desert Cursed series, you're in good company. Witch's Reign (Book 1) They think her an underdog against impossible odds... And she will fight tooth and nail to prove them wrong. The Witch's Reign... a land of eternal, unnatural winter ruled by the Ice Witch. In turn, she is guarded by three supernatural creatures who wander her lands hunting for unwary souls, killing any who cross their paths. To get to the Witch's Reign, you first must pass through the Dragon's Ground. Full of dragons, who for the record, do not like trespassers. This is where I am headed, though my mentor has forbidden me. My best friend was sent with a team into the Witch's Reign to recover a powerful jewel that belongs to our mentor, and they are long overdue to come back. That leaves me, Zamira "Reckless" Wilson to go after my friend. Forbidden or not. Somehow, I get saddled with a human male tagging along for the ride. A human that is as weak and useless as my own shifting abilities. Throw in a sentient magical weapon that tries to kill me every time I touch it, and a small dragon that has a penchant for Shakespearean insults, and you've got my journey in a nutshell. May the sands of the desert swallow me whole because this is going to be a damn bumpy ride. Dragon's Ground (Book 2) Dragons and danger and magic collide... And it's only Monday. We survived the land of the Witch's Reign, that much is true. But our arrival home is far from welcome. My idiot brother has taken it upon himself to ride off in search of a mythical healer, someone who might help him walk again. Assuming she doesn't eat him first. Because said healer is a dragon and happens to reside in the deepest reaches of the Dragon's Ground. Like I said, idiot. I'd go after him myself, but his leave-taking is not the only problem I face. My mentor has yet again forbidden me to leave the safety of the Stockyards. Her reasoning? That I am too weak to weather the coming storms. With my pride wounded in more ways than one, I must gather the few allies I have left. My ex-husband's new girlfriend at the top of the list and a goat bleating, oversexed Satyr. FML. If I'm lucky I'll find a small dragon and a Jinn whose blue eyes still haunt my dreams along the way. Buckle up, buttercup, this ride is about to take a seriously unforeseen twist. Jinn's Dominion (Book 3) There was nothing that could have prepared me for Dragon's Ground. And I thought that nothing could be worse than what I faced there. Just my black cat bad luck, the world is set to prove me wrong. South lies the Jinn's Dominion and within it the members of my Pride who need my help. The further south we go, the more danger comes not only from outside our group but from within. Ishtar's new hunters. Marsum leader of the Jinn. And the Emperor himself. All three want something from me. All three claim they can give me the world on a silver platter, to give me my deepest desires. Color me cautious, but I think all three are lying. Or so it seems until I reach the Jinn's Dominion and discover the truth... About who I really am. And what that means for my fate and the fate of those I love. With the "profound sense of Southern spirituality" he is known for (Publishers Weekly), Billy Coffey draws us into a town where good and evil—and myth and reality—intertwine in unexpected ways. Everyone in Crow Hollow knows of Alvaretta Graves, the old widow who lives in the mountain. Many call her a witch; others whisper she's insane. Everyone agrees the vengeance Alvaretta swore at her husband's death hovers over them all. That vengeance awakens when teenagers stumble upon Alvaretta's cabin, incurring her curse. Now a sickness moves through the Hollow. Rumors swirl that Stu Graves has risen for revenge. And the people of Crow Hollow are left to confront not only the darkness that lives on the mountain, but the darkness that lives within themselves. "Coffey spins a wicked tale . . . [The Curse of Crow Hollow] blends folklore, superstition, and subconscious dread in the vein of Shirley Jackson's 'The Lottery.'" —Kirkus Reviews A shadowy witch, a cursed hunter—it's tricky business for Sol and Connie as they face off against this awful pair. The kids narrowly averted being eaten by the last witch after them, and this time it doesn't look any better. It's a long way through the accursed valley, they're running out of food and water, and that lodge on the mountain side with the collection of animals inside isn't exactly comforting. Who can save them? The All Creatures Manager? A heroic woodthrush? The Camper Lady? The Know-It-All Cube? Or will they have to save themselves? And here's the worst of it: little do Sol and Connie know that the ancient child hunter is about to wake up—thanks to the witch's curse—in this delightful book from author Keith McGowan and illustrator Yoko Tanaka. Escape to Witch's Forge, a magical town tucked deep in the heart of Tennessee's Smoky Mountains. Only Witch's Forge isn't a supernatural paradise—here spells backfire, kudzu bites and magic is broken. That is, until Charming Calhoun arrives. Everything is going great for Charming. Matchmaking successful witches and wizards? Done. Avoiding a dangerous and sexy vampire police chief? Taken care of. Feeding Pig chocolate? Wait. Charming does not feed potbellied pigs chocolate. Life is smooth sailing for Charming until a mail-order bride winds up murdered. Charming feels responsible—after all, she brought the bride to Witch's Forge. Now it's up to her and her crazy family to solve the mystery and stay out of Thorne's way. But when Thorne shows romantic interest in Charming, she's unsure of her own feelings for the vampire. Can Charming solve the mystery and figure out her tangled feelings for Thorne? Or will she wind up the murderer's next victim? Find out now! "He's had centuries to master this game and he is very, very good at it..." One minute I'm a regular Londoner - overworked, underpaid and living in a flat the size of a shoe box. The next minute I'm doing magic and hunting vampires. You see, it turns out that I'm an arcane witch. Never heard of them? Neither had I until I got attacked by a vampire while trying to make a food delivery. Ok, that wasn't all bad. It did get me through the doors of the sexiest doctor this side of the Thames. The trouble is he's hiding something. I know it's something BIG but I just can't work out what it is... Now the other arcane witches want me to join their crusade. They say if we don't hunt vampires

to extinction, the blood-suckers will take over the world, turning humans into cattle. I tell those crazy witches to get lost, but that's a mistake. The vampires know about me. They know that I'm special and they won't stop until I'm dead. I soon find myself locked in a battle of wits against the most devious vampire in existence. I'm in way over my head, but the biggest fight may be the one for my own soul... For fans of Annette Marie, Linsey Hall and BR Kingsolver. If you love sassy heroines, villains you love to hate and unputdownable chapters, you'll love this fast-paced urban fantasy book. Content: Contains language, violence and mild steam. According to legend, Moll Dyer was chased from her burning home by a mob in St. Mary's County in the year 1697. Blaming difficulties from weather to sickness on witches was common in colonial times. Rebecca Fowler was tried as a witch in St. Mary's in 1685, and in 1674, John Cowman became the only man ever charged with witchcraft in Maryland. In Moll Dyer's case, locals took the law into their own hands. Was she just an ordinary woman blamed for problems beyond her control? Or was she a witch whose curse lingers on? Author Lynn Buonviri uses period records and local lore to discover the truth behind the legend of Moll Dyer and her curse. The definitive history of how witchcraft and black magic have survived, through the modern era and into the present day Cursed Britain unveils the enduring power of witchcraft, curses and black magic in modern times. Few topics are so secretive or controversial. Yet, whether in the 1800s or the early 2000s, when disasters struck or personal misfortunes mounted, many Britons found themselves believing in things they had previously dismissed - dark supernatural forces. Historian Thomas Waters here explores the lives of cursed or bewitched people, along with the witches and witch-busters who helped and harmed them. Waters takes us on a fascinating journey from Scottish islands to the folklore-rich West Country, from the immense territories of the British Empire to metropolitan London. We learn why magic caters to deep-seated human needs but see how it can also be abused, and discover how witchcraft survives by evolving and changing. Along the way, we examine an array of remarkable beliefs and rituals, from traditional folk magic to diverse spiritualities originating in Africa and Asia. This is a tale of cynical quacks and sincere magical healers, depressed people and furious vigilantes, innocent victims and rogues who claimed to possess evil abilities. Their spellbinding stories raise important questions about the state's role in regulating radical spiritualities, the fragility of secularism and the true nature of magic. In this charming debut fantasy perfect for fans of Sorcery of Thorns and Girls of Paper and Fire, a witch cursed to never love meets a girl hiding her own dangerous magic, and the two strike a dangerous bargain to save their queendom. Tamsin is the most powerful witch of her generation. But after committing the worst magical sin, she's exiled by the ruling Coven and cursed with the inability to love. The only way she can get those feelings back—even for just a little while—is to steal love from others. Wren is a source—a rare kind of person who is made of magic, despite being unable to use it herself. Sources are required to train with the Coven as soon as they discover their abilities, but Wren—the only caretaker to her ailing father—has spent her life hiding her secret. When a magical plague ravages the queendom, Wren's father falls victim. To save him, Wren proposes a bargain: if Tamsin will help her catch the dark witch responsible for creating the plague, then Wren will give Tamsin her love for her father. Of course, love bargains are a tricky thing, and these two have a long, perilous journey ahead of them—that is, if they don't kill each other first.
